Q24 Read the following passage carefully and answer the following questions  
Globalization does not always reduce state capacity. The primacy of the state continues to be unchallenged basis of political community. The old jealousies and rivalries between countries have not ceased to matter in world politics. The state continues to discharge its essential functions (law and order, national security) and consciously withdraws from certain domains from which it wishes to. States continue to be important.

Indeed, in some respects state capacity has received a boost as a consequence of globalization, with enhanced technologies available at the disposal of the state to collect information about its citizens.

(i) What are the two most essential functions of the state? 1

(ii) How do enhanced technologies enable the state to rule better? 1

(iii) Justify with the help of an example that globalization gives a boost to the state capacity. 2
