Subject: Correction to Tender Offer Amounts

Dear Hotel de L'Eau Vive Owners,

We trust this message finds you well. We are writing to bring to your attention an error in the tender offer amounts that were sent out via US Mail on December 20, 2023. Unfortunately, there was an oversight in the calculation, leading to an incorrect increase of \$1,000 to the 2024 maintenance fee.

Please accept our sincere apologies for any confusion or inconvenience this may have caused. Rest assured; we are taking immediate steps to rectify this mistake.

We are in the process of revising the tender offer documents with the accurate amounts, and you can expect to receive the corrected version shortly.

Thank you,

Lemonjuice Solutions
