## BE SURE TO READ ALL THE INFORMATION BELOW!

Defensive Pistol is designed for those that want to move beyond the basics and take the next step in their pistol training. This class will work with performance based training focusing on individual skill improvement and critical thinking.

Both outside and inside the waistband holsters are welcome. We want students that carry a firearm to be as efficient and effective as possible. **All students must be able to safely operate their handgun in both a range and classroom setting. Students must be familiar with their holster and firearm before they come to this class.**

At the beginning of the class you will need to pass the prequalification shooting to be allowed to continue the class. The assumption for this course is that you already have a good handle on basic marksmanship shooting. Prequalification shooting is scoring 7/10 shots at a 10" plate at 15'. This will be performed at the beginning of the class. You will have three opportunities to complete the prequalification shooting. Participants must be at least 21 years old to take this training.

### Topics covered include:

Engaging multiple targets.  
Clearing common malfunctions.  
Cognitive thinking drills.  
Single-handed shooting.  
Moving offline of the attack.

### Items you will need:

Eye and Ear Protection.  
Reliable semi-automatic pistol or revolver.  
Holster IWB or OWB: holster designed for you firearm that covers the trigger **no flimsy nylon holsters allowed.**

A sturdy belt to hold your holster firmly when drawing. **THE HOLSTER MUST BE MADE FOT THE GUN!!**

300 rounds of ammunition will be needed.

At least 3 magazines or speed loaders with pouches to carry them on your person.

There will be a 34 round qualification you must score 34 hits to receive you certificate.

**IF YOU SHOW UP WITHOUT THE ABOVE LISTED EQUIPMENT YOU WILL NOT BE ALLOWED TO TAKE THE COURSE. THERE WILL BE NO REFUND YOU WILL BE ALLOWED TO TAKE A LATER COURSE.**

**Cost is \$150.00 for this 4 + hour class**
