The personal is the political.

Dear God, Source of all,

I humbly ask for your guidance,  
as I begin this important role -  
please help me to realize  
our most important goal.

May the words I speak  
be born from Your heart  
and Your living wisdom  
I quote and impart.

Especially during times of division,  
remind me of my divine commission:  
that I co-serve humanity  
with every decision.

Like Lady Liberty -- may I welcome  
all.

Like our proud eagle- help me to  
soar and guide me to lift our most  
needy and poor.

May each step I take  
be a blessing to Earth  
may my living example  
inspire human strength.

May I go the distance  
no matter the length.

May I listen more  
and speak much less.  
May I be a resolver  
of human distress.

May my cabinet become  
like an army of angels.  
May they light the way  
to minimize dangers.

May those who seek freedom  
feel empowered and blessed.  
May crimes be undone  
and injustice reversed.

May we wisely address  
all who seek reparation--  
be beacons of kindness  
and elevate our nation.

Please guide me to be  
an agent of peace  
wherever there's conflict  
help me help resolve it  
with intelligent ease.

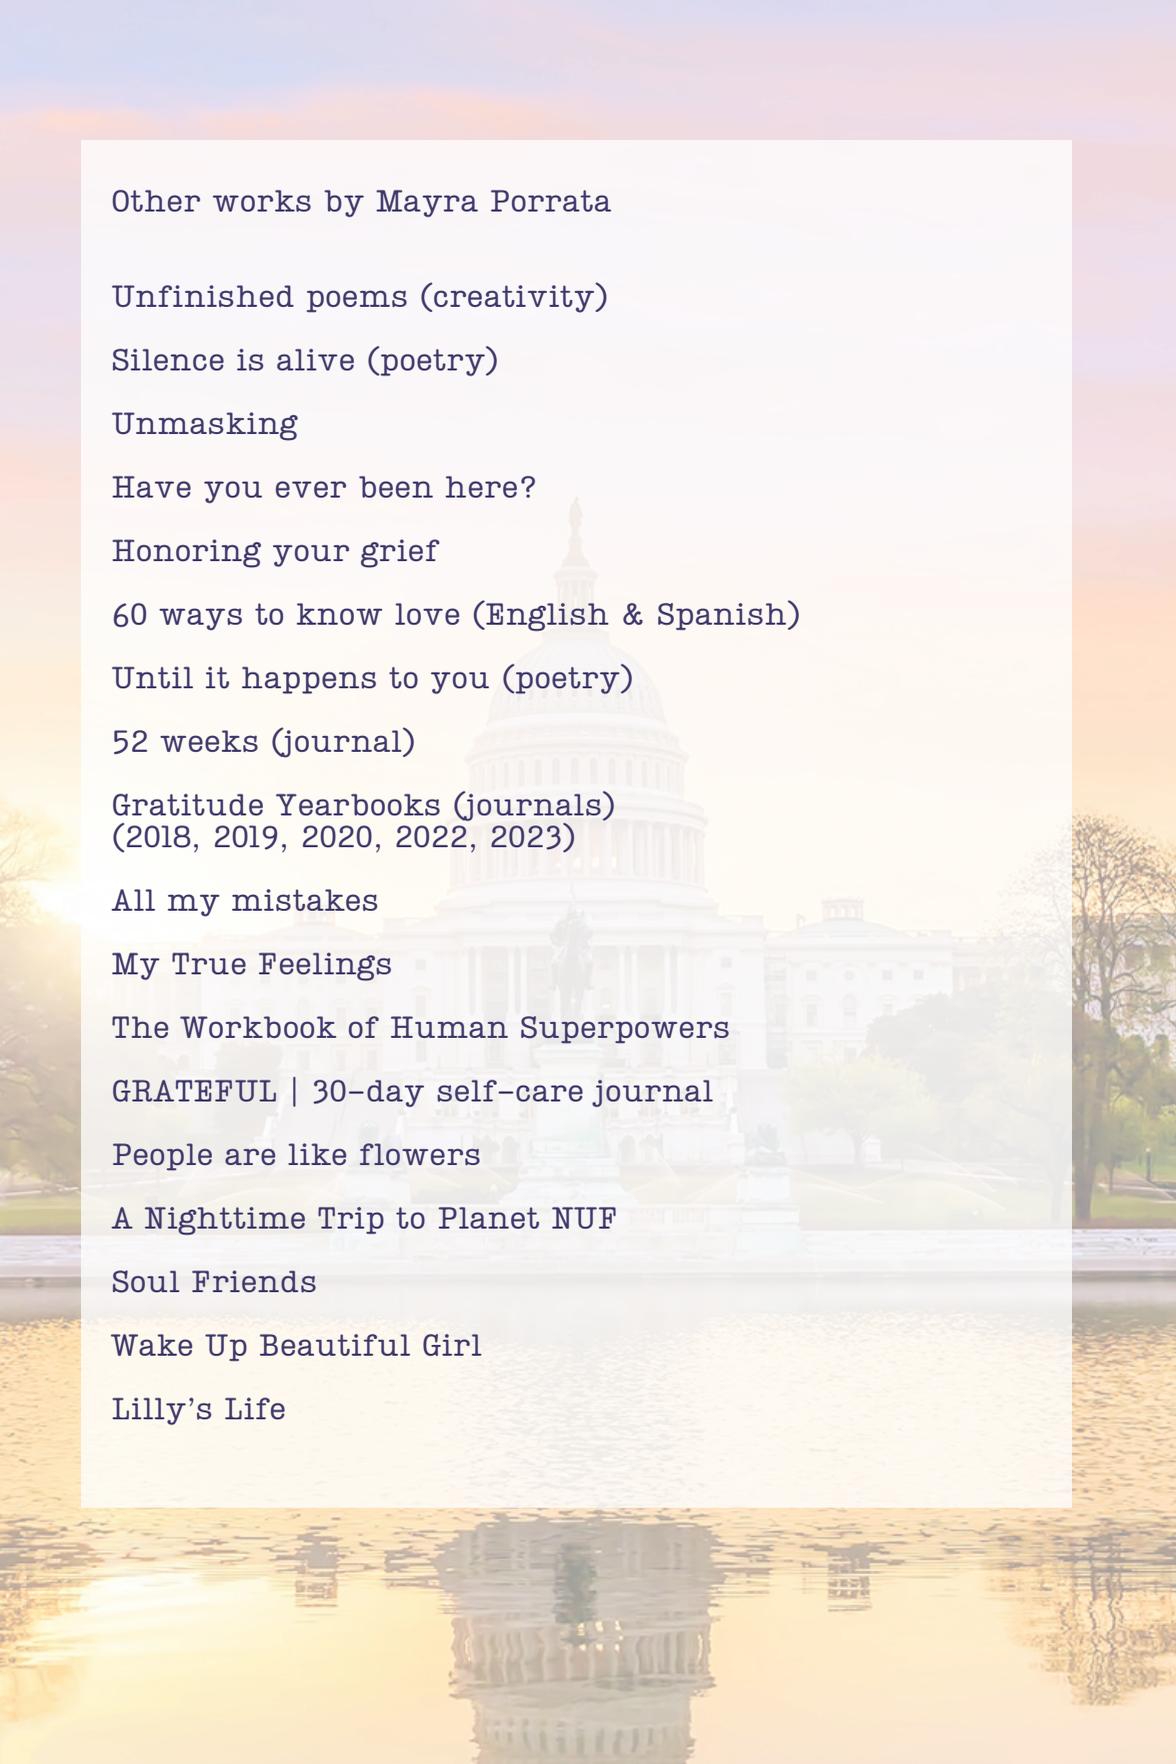

Please help me see clearly  
may I do no harm.  
May each challenge before us  
I skillfully calm.

A person with curly hair, seen from the back, is wearing a red and white horizontally striped shirt. They are standing in a field of tall, golden-brown grass. The background is a bright sunset or sunrise, with the sun low on the horizon, creating a warm, golden glow. The sky is filled with soft, wispy clouds. The overall mood is peaceful and reflective.

And when the time comes  
to step down from this role  
may our citizens say  
“we did it all”
