

Admission Requirements

School Hours

8-4 Monday-Thursday

The front door will unlock at 7:30 a.m. to start receiving students.

Please don't bring them before 7:30.

Classes start promptly at 8:00. Tardy students are an interruption to classes. Please have them here before 8:00 ready to go. School releases at 4:00. Teachers will walk classes out front for parent pick up.

Hearing/Vision Screening

A Hearing/Vision Screening is required for all new students to TCA as well as Kindergarten, 1st, 3rd, 5th and 7th grade girls and boys and will need to be done and recorded in the office before students can start school.

Please check with the office to make sure we received it.

Spinal Testing

Spinal Testing is required for all 5th and 7th grade girls and 8th grade boys. If students have had an athletic physical this summer or will have one in the fall that will cover the screening.

TCA will NOT be providing those screenings on campus.

Immunization Exemption

An Affidavit of Exemption for Immunizations must be renewed every 2 years. Please check with the office to make sure yours is current.

Booster Shots

The State of Texas requires all incoming 7th grade students receive booster immunizations. Updated records must be received in the office before the start of school.

I have read and understand that these requirements for admission must be met before a student can start school.
