UNITED STEELWORKERS

UNITY AND STRENGTH FOR WORKERS

Standing Together:
Community Support for USW Local 7-1 Oilworkers

November 17, 2026

We want to recognize and thank the local businesses that have shown solidarity with our Union by displaying a support sign in their window.

Their visible support matters. It helps our members feel welcome in the community, it spreads awareness of our issues, and it sends a clear message that working people deserve fairness and respect.

Below you will find the current list of businesses that have displayed the sign. When you have the chance, please consider supporting them with your patronage and a quick word of thanks.

If you notice a business displaying the sign that isn't on the list below, or if you know a business that would like to participate, please reach out to the Union Hall so we can keep the list updated.

In Solidarity,

USW Local 7-1 Board of Directors
