

## FLIMSY PLASTICS RECYCLING PROGRAM

*Simple. Sustainable. Built for Retail Operations.*

### Examples of Accepted Materials

Plastic Bags	Stretch Wrap	Bubble Wrap
Bread/Produce Bags	Air Pillows	Case Overwrap

### What Are Flimsy Plastics?

Lightweight, flexible plastics used in retail and shipping that cannot go in standard blue recycling bins but can be recycled when collected separately by specialized recyclers.

#### Accepted Materials

1. Plastic bags (grocery/retail)
2. Stretch wrap / pallet wrap
3. Shrink wrap / cling wrap
4. Bubble wrap & air pillows (deflated)
5. Bread & produce bags
6. Case overwrap

#### How It Works

1. Set up collection
2. Collect materials
3. Scheduled pickup
4. Delivered to recycling processors

#### Not Accepted

1. Food-contaminated plastics
2. Rigid plastics
3. Chip/candy wrappers
4. Compostable / "biodegradable" plastics
5. Heavily soiled materials
