Service Project for SSM Health Cardinal Glennon Children’s Hospital: Please bring small toys such as fidget spinners, fidget cubes, hand held spiky sensory balls, hand held squish balls, or pinwheels.

Donations make it possible for a child’s hospital experience to be a positive one. Toys like these are especially helpful with distracting children during their treatments. Patients and families are very appreciative of all gifts and are touched by your generosity to help make the hospital stay more comfortable. **Due to infection control reasons and patient safety, all donations must be clean and brand new.**

Don’t forget our **Scratch Off Lottery Ticket raffle**. This package is worth about \$200! See the attached flyer.
