**Today's Meeting:** Vice-president Doug Oncken filled in for Don Helmreich and opened meeting at 6:35. Lloyd Viehland led us in our invocation. Harold Hackman led us in the Pledge of Allegiance. We had another small crowd this morning but it was good to see some of our hunters back from South Dakota. It was reported that Larry French's mother passed away earlier this week at her home in Iowa. Jack went over the work schedule for Columbia College. This is going to be a very big week for us with games every day except Sunday, through November 9. Jack is going to be unavailable this Friday and Saturday, so if you are working and need anything for Columbia College, call Louie Rodgers or Mike Gregory. Next Thursday, will be our evening meeting. It will be Crock Pot night. Doug will make up a big pot of chili, and a couple of the other members will make their favorite soups. Other members are encouraged to bring deserts or side dishes. Dinner starts at 6:00 pm. Jack passed around the sign-up sheet for the Norm Stewart 48 hours of basketball and we got a few more volunteers. More volunteers are needed and the sign-up sheet will be available at each meeting up to the time of the event. Tom Andert led us in the Optimist Creed to close the meeting.

**Today's Program:** This morning, we heard from Kyleigh O'Brian and her mother, Janet, on juvenile arthritis. Kyleigh was diagnosed with juvenile arthritis at age 8, she is now 14. She told us how juvenile arthritis is often misdiagnosed because there are only 300 physicians in the US who are certified for juvenile arthritis. MU has only one physician. Over 6000 kids in Missouri have juvenile arthritis. Kyleigh's Crusaders have a Jingle Bell 5K Run on December 8 to raise funds for juvenile arthritis research.

**Upcoming Programs:**

Nov 8 Craig Adams will show us how STEAM is teaching kids in CPS to program
