Our Mission is “NO KID SLEEPS ON THE FLOOR IN OUR TOWN!” We are an organization that builds and delivers beds to children in need of a bed and a safe place to sleep.

Sleep in Heavenly Peace is always eager to help families in need whose kids have uncomfortable sleeping arrangements. Unfortunately, we can only help families who are close to our active chapters.

Once we receive an application, our selection committee will review it. Selecting a recipient isn’t done on a first-come, first-served basis—we make our decisions based on which children need beds the most.

We make and deliver twin size beds as supplies and donations allow. When we’re out of beds or bedding, we file unselected applications away until we can make more.

Unfortunately, we can’t guarantee that every applicant will get a bed.

This year they built 150 beds for kids who needed a bed. The cost of making the beds are \$250.00 which is frame, mattress, comforter, sheets and pillows. It takes 50 to 60 volunteers to build the beds. 3 to 4 team goes into the house to deliver the beds to the families. They get the material from Lowes who is the partnership national wide and they also get a pallet of 32 mattress at \$70 each.
