Today's Meeting: President Don Helmreich opened the meeting at 6:40. Lloyd Viehland led us in our invocation. Lauren Helmreich led us in the Pledge of Allegiance. Jack went over the work schedule for Columbia College. We have now finished the lacrosse season. All we have left on the schedule is graduation (two teams) on April 27, and two high school soccer games on May 1. No dates are set at this point for Show-Me State Games. Pete Warnock reported that Larry French is home recovering after kidney surgery. Harold Hackman is preparing for knee replacement surgery next week. We were glad to have a visitation from the Kids First Optimist Club this morning. Doug suggested that the May evening meeting (May 9) should be a fish fry. Since Doug retired, the fishing has been very good. Mike Gregory reported that Dale is tearing it up with his Bingo winnings at the Mexico Veteran's Home. Linda French tried to rub our noses in the fact that next week, she and Mike and Cheryl Gregory would be lying on a beach in Mexico. I hope it rains. Doug Oncken led us in the Optimist Creed to close the meeting.

Today's Program: Susan Shaffer spoke to us this morning about Special Olympics. She was excited about their new Training for Life Campus in Jefferson City. The new campus offers training facilities and health screenings for their athletes. Special Olympics started with track and field activities, but the most popular sports now are bowling, basketball and bocce ball. Susan reported that 75% of their intellectual disabled clients are also obese, so the new campus helps to provide exercise areas and healthy life training. President Don Helmreich presented Susan with our check of support for \$400.
