Today's Meeting: President Don Helmreich opened our meeting at 6:45. Lloyd Viehland led us in our invocation. Cheryl Gregory led us in the Pledge of Allegiance. We had only 9 brave souls who braved icy weather to attend today's meeting. Jack opened the meeting with a confession. In the mid to late 80's, he attended a Halloween Party in black face, dressed as one of his coworkers. Since there were no calls for my immediate resignation, I will stay on as newsletter editor and Treasurer. Barb Rodgers is having out-patient surgery today on her hip. There will be a "Celebration of Life" gathering for Mike Provin, at 2:00 at the Orr Street Studio, 106 Orr Street. Mike was a member of our club for several years and most of us remember him most for the "Fishing for Families" event he ran for our club. Tomorrow morning, Friday, at 8:30, we will have our Food Handler Training at the clubhouse. Mike says the training and the test will take about a half an hour. A Food Handler License will be required by all personnel working in our concession stand at Columbia College. This Saturday, the Midway Club will hold their Pancake Day at the Midway Elementary School. We will try to have a club visitation by meeting at the school at 8:00. Our Pancake Day is coming up on Saturday, February 16, at the Harrisburg High School from 7:00 to 11:00. Jim Ballenger is counting on our member support to make this event another success for our club. On Saturday, February 23, The Columbia College men's basketball team will play Lincoln College in a single game (Team 1). This will be Coach Bob Burchard's final game as head coach and we expect a big crowd. In addition, our club has decided to give free popcorn to everyone attending the game. Bruce Rice led us in the Optimist Creed to close the meeting.
