Today's Meeting: President Don Helmreich opened the meeting at 6:45. Lloyd Viehland led us in our invocation. Doug Oncken led us in the Pledge of Allegiance. Well, last weekend was very busy for our club. Between two lacrosse games, and three days of the state gymnastics tournament, we had over \$5000 in sales at our concession stands. We were so busy that at one point Sunday, we ran out of \$1 bills and had to make change with quarters. A big THANK YOU to everyone who helped. Mike Gregory was busy also. He had to attend a three day wedding celebration over the weekend and Monday, he got to move Dale into his new home at the Mexico Missouri Veterans Home. Mike says Dale loves the whirlpool baths at the new place. Jack went over the schedule at Columbia College. He found out after the meeting, that the lacrosse game scheduled for Sunday, had been moved to Saturday at noon. We have the Midwest Campus Clash coming up on Saturday, April 6. We are going with volunteer teams again. We need two people for a 9:30 to 1:30 shift and two people for the 1:30 to 5:30 shift. Call Jack if you want to volunteer. A signup sheet will be available at next Thursday's meeting if the shifts are not filled.. April 11 will be our next evening meeting. We are trying to get some of the Mizzou women's basketball players in for this event. We will serve pizza from Tony's Pizza. Doug Oncken led us in the Optimist Creed to close the meeting.

Today's Program: This morning, we heard from Nick Foster from the Voluntary Action Center. The VAC started 50 years ago as an organization to encourage voluntarism in the community. They quickly changed into service center for the lower income parts of our community. Nick provides stats saying that VAC served 448 households in Columbia, including 299 children. They also provided 33 computers to Columbia families. Other VAC programs include Lunch in the Park, the Back to School Health Fair, Christmas in July, and a Holiday Program. President Don Helmreich presented Nick with our check of continuing support for \$500.
