We then went into our program because our speaker had get down to Jefferson City for some legislative issues. Mike reported that went on his first road trip to Kansas City for his grandson's wedding and had a wonderful time. He is looking forward to getting out a lot more. Harold Hackman's knee replacement surgery has been rescheduled to June 21. Jack reported that we are through with Columbia College for a while. We have nothing scheduled there until we get into the Show-Me State Games in June and July. We have a Speak Your Mind program coming up on May 14 at Hickman High School at 6:30. The subject of this program will be Police/Community relations. Don't forget our evening meeting next Thursday. We will be having a fish fry. Since Doug Oncken retired, he has been doing a lot of fishing, and will provide the club with enough crappie meat to feed our club. Start thinking about what sides, salads, or deserts you might want to bring to the dinner. Peter Warnock led us in the Optimist Creed to close the meeting.

**Today's Program:** This morning we heard from Katherine Wilson from COMO Youth Works.
