LAUGHS FOR THE SOLE

The World Health Organization announced that dogs cannot contract COVID-19. Dogs previously held in quarantine can now be released. To be clear, WHO let the dogs out.

I ran out of toilet paper and started using lettuce leaves. Today was just the tip of the iceberg: tomorrow remains to be seen.

I have not cut my hair since the quarantining started. Yesterday, I stepped on a scale for the first time in a while. Who knew that hair weights so much??

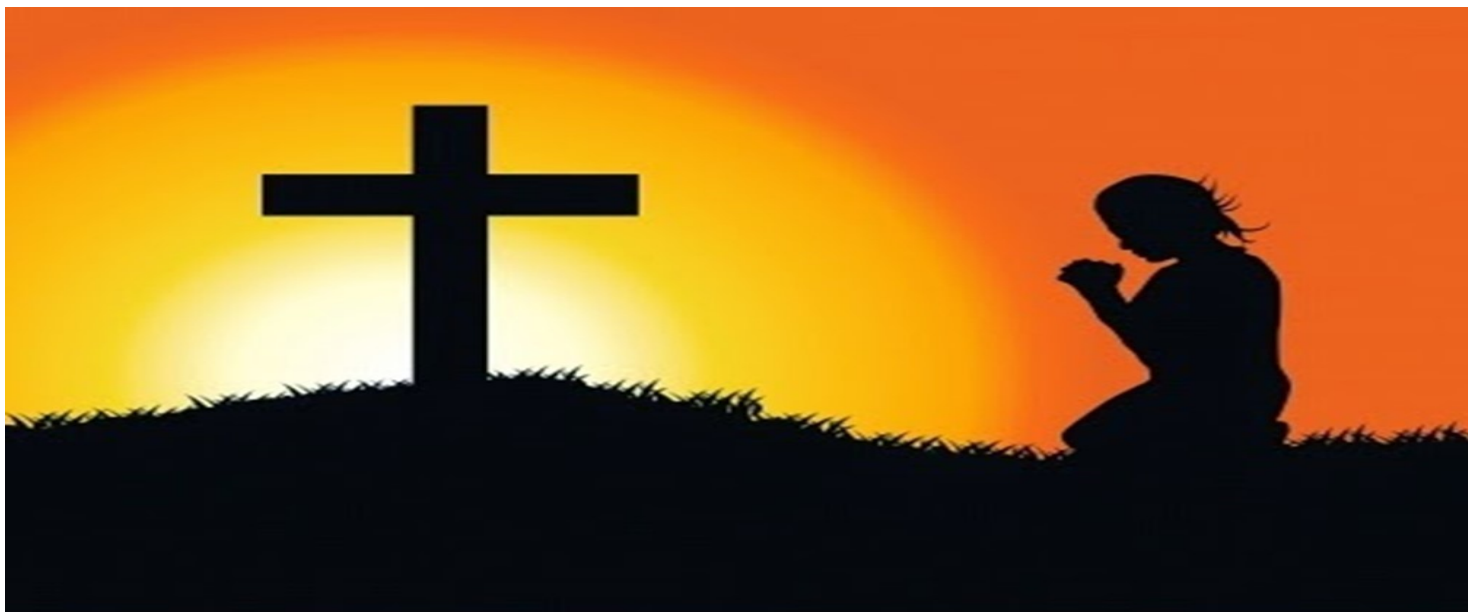

These were from the AARP December Bulletin.
