## Third Graders Get New Dictionaries

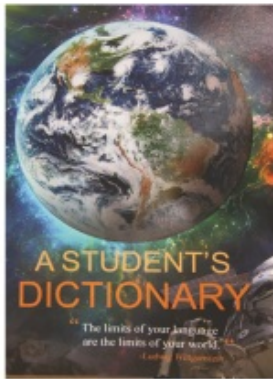

Every third grade student in the District has a brand new dictionary. On October 13, principal Dr. Darin Siefert and assistant principal Mrs. Saundra Benack went from classroom to classroom distributing the new books. The dictionaries are courtesy of the Twin City Area Optimist Club. Every year the club donates the dictionaries to every third grade student in the area. For many of the students it's one of their favorite days of the year. The students will be able to use their dictionaries right away. It could come in handy writing a thank you note to the Optimist Club.

### Elementary Students Use Apples To Learn Lessons

To celebrate Johnny Applesseed's 247th birthday, students in the elementary school took part in different apple themed activities during the week of September 27th. Some students made applesauce, others built boats, some built towers and others tasted apples prepared three different ways (sauce, juice, butter). Students had to record their observations and from opinions based on their observations. Apple activity week is one week students look forward to all year.

## Kindergarten Students Visit the Festus Firehouse

After a year away, Festus Kindergarten students made their annual visit to the Festus firehouse in early October. The visit came just before Fire Prevention Week. Chief Kevin Cremer spoke to the students about this year's lesson "Learn the Sounds of Fire Safety." Chief Cremer talked with the students about the sounds to listen for during a fire. First and foremost is the sound of a smoke detector. They were taught "When you hear the beep, get on your feet." That means get out and get to your meeting place. He also taught them that if a door is hot, not to open it. Stay put and a firefighter will come find them. A firefighter also put on all of the fire fighting equipment so students wouldn't be scared if one was coming to their rescue. Students also got a look at all of the equipment stored on a fire truck.

## Twin City Area Optimist Club Art Contest 2021

The Twin City Area Optimist Club Art Contest took place on Sunday, November 14, 2021 at Elks Lodge 1721 in Festus. The annual event had

299 entries with 199 student artists exhibiting artwork. The students and their art were represented by the following schools in Jefferson County: Festus High School, De Soto High School, De Soto Junior High School, Herculaneum High School, Senn-Thomas Middle School, Hillsboro Junior High School, Crystal City High School and Jefferson R-VII. Two entries were submitted by homeschooled students. Entries were showcased in art categories, photography and three-dimensional art.

Best of Show winner was Katie Deevers, Jefferson R-VII, with her entry "Grateful." First place winners in three art categories were: Art – Ages 12-13 Macie Tomlinson, De Soto Junior High School, with her entry "American Blood", Art – Ages 14-15 Sophia Leiner, Crystal City High School, with her entry "Fire and Ice" and Art-Ages 16-19 Bryce Shepard, Jefferson R-VII, with his entry "Mushroom Forest." Taking first place in photography was Savannah Brown of Jefferson R-VII, with her photo "Coming Down the Line." Three-dimensional art first place winner was Ella Shy, Festus High School, with her entry "Recycled Material Dog Sculpture."

The Twin City Area Optimist Club strives to "bring out the best in kids" with events such as the art contest that encourages Jefferson County youth to grow in confidence and self-esteem.

## Art Show Memories

The first art show was held upstairs at Eagle Bank. I can no longer remember the Jefferson County Organization that sponsored it. They asked the Optimist Club to furnish the refreshments. Sue Short was the chairperson for that refreshment project. They only sponsored the art show for one year.

I joined Optimist one year after it was organized. When I joined Optimist, I declared, "I'll work on any committee, but I won't be a committee chairperson!" I was the chairperson for our first art show the following year and the next six or seven years. It was 1993 or maybe a year or two before. My brain gets exhausted thinking about those ancient times! Our first few art shows were held at Gannon's Banquet Room before we moved to Frederick's.

In the beginning, we normally had 50 to 80 guests. One year we had a huge crowd show up, over 330 parents, family, friends and young artists. At that time we were still competing with Martha Stewart and baking chewy delicious homemade cookies. I very quickly sent someone to National to purchase lots of grocery bags of cheap cookies. To my amazement, the kids did not touch our scrumptious cookies baked with Optimist love. Every child ate lots of cheap store-bought vanilla, chocolate, and peanut butter sandwich cookies. Of course, the parents ate our homemade delectable cookies. After observing our young artist cookie

preferences, we never requested home-baked cookies again. God love those little artists! They liberated us from baking cookies. Sorry, Martha!

## BB 5K walk report

The JOI club held its 3<sup>rd</sup> annual BB5K walk for suicide awareness on October 23, 2021 at Larry Crites Memorial Park. The event was successful; we had about 50 walkers from all over the metropolitan area (St. Louis, MO to Smithton IL). JOI club members were in attendance to ensure everything ran smoothly. They assisted in putting out directional signs, registration, setting up for the event, and even had time to walk!

We were able to award eight scholarships to essay winners. The theme for the event was "What would you do if you knew someone did not want to live any longer".

## JOI Halloween Party

Eleven JOI club members enjoyed a pumpkin, an art, and a costume contest, judged by Optimist members. They also enjoyed a modified scavenger hunt and played kick ball. The members enjoyed individually wrapped treats and received goody bags filled with lots of Halloween treats. The event was fun and club will continue to hold Halloween parties.

## JOI Shops for Crisis Nursery

The club shopped at Walmart in Festus to purchase items for the St. Louis Crisis Nursery-Jefferson County for families in need this Christmas.

Our members shopped for paper products, toys, personal hygiene products, detergent, and dish soap. Members were

divided into six groups, each having a budget of \$100.00. Everyone had fun, and it was rewarding to see our older members mentoring the younger ones. We loaded up two cars full of products to give to the Crisis Nursery-Jefferson to be dispersed for the Holidays. It was a fun time for all attendees.

18 members participated in this project included 10 new members. In addition, many parents participated along with TCA members Sherry Armstrong, Phyllis Neff, Katie Huck, and JOI Advisor Debbie Schumaker.

## CHILDHOOD CANCER

**Hailey Walker with her mother Brandi Pryor, stepfather James Winslow, and siblings Savanna and Alex Winslow**

On October 26, 2021 White Castle in Arnold held the third community night with our club. We receive 15% of sales for a set three hour period. We will receive \$307 from September and \$194 from October fundraisers.

Our club has been following Hailey Walker in her cancer journey for the last few years, providing support with gifts, gas cards, etc.

Hailey and her family attended the fundraiser to celebrate her 12th birthday. She took this opportunity to draw three raffle basket winners. Unfortunately none of our members won.

We are pleased to report Hailey received a check for \$6765 from raffle sales. Arnold White Castle will hold another community night for our club on November 23, 2021.

## MEETINGS

Special thanks to all our dessert divas who have brought sweet treats for members to enjoy during the first meeting of each month.

Below is a recipe for a Pumpkin Goey Butter Cake baked by new member Kathy Todd. Please note: Kathy

substituted a spice cake mix for the crust.

11/5/21, 1:30 PM Pumpkin Gooney Butter Cake (Paula Deen) Recipe - Food.com

INGREDIENTS		DIRECTIONS
<b>CAKE</b>		Preheat oven to 350.
1	(18 1/4 ounce) package yellow cake mix	To make the cake: Combine all of the ingredients and mix well.
1	<b>egg</b>	Pat batter into a lightly greased 13x9-inch baking pan with hands into an even layer.
8	tablespoons <b>butter</b> , melted	Prepare filling.
<b>FILLING</b>		To make the filling: In a large bowl, beat the cream cheese and pumpkin until smooth.
1	(8 ounce) package <b>cream cheese</b> , softened	Add the eggs, vanilla, and butter, and beat together.
1	(15 ounce) can <b>pumpkin</b>	Next, add the powdered sugar, cinnamon, nutmeg, and mix well.
3	<b>eggs</b>	Spread pumpkin mixture over cake batter and bake for 40 to 50 minutes.
1	teaspoon <b>vanilla</b>	Make sure not to over bake as the center should be a little gooey.
8	tablespoons <b>butter</b> , melted	Serve with fresh whipped cream or cinnamon-flavored ice cream.
1	(16 ounce) box <b>powdered sugar</b>	
1	teaspoon <b>cinnamon</b>	
1	teaspoon <b>nutmeg</b>

## OBITUARY

Angela Ball joined our club in October 2019 with an ever present smile. You could see her walking about town and was a frequent contributor to our drive thru donation drives.

Her sponsor Mary McDowell remembers Angie: " I thought it was inspiring how she would walk the local roads by herself in any type of weather. I once picked her up when it was over 100 degrees and gave her a ride home. She told me she would walk until she would get tired and then call her husband to pick her

up. She lost her husband, Charlie Ball, and her consistent ride several years ago. In her battle with cancer, she always thought of others by raising funds for cancer research by using her gift of being a good cook."

You may recall, the wonderful dinners she catered several times for our special evening meetings.

Our lives were touched by her optimistic spirit and positive attitude.
