ALTERATIONS AND STRUCTURAL MODIFICATIONS. No unit owner can make any alteration or structural modification to an apartment without the prior written consent of the Board of Directors after submitting an ARC form and receiving approval. This includes, but is not limited to, windows, doors, porch tile, and screens. The property manager must be notified of a new air conditioner installation. In the event unit construction is done, a building permit must be obtained and posted at the outside of the unit door. Only licensed contractors can be used for interior work/plumbing. Construction that causes excessive noise will follow LBTS rules, and can only take place from 8:00am to 5:30 pm, Monday through Saturday. The exterior of the apartment cannot be painted, decorated, or otherwise modified without the prior written consent of the Board of Directors. Consent may be withheld on purely aesthetic grounds. Floors two and three are allowed to have all rooms with tile. A sound barrier is required on floors two and three. If an owner complains of excessive noise from a unit above and there is no sound barrier, owners are in violation of the By-Laws.

Exterior antennas or other devices such as Direct TV, awnings or shutters are not allowed to be installed on the building exterior and are subject to immediate removal. Curtains are not allowed on lanais. Shades to block the sun can be installed on the interior of the lanai and must match the color of the building. Shades must be left up and hidden from view when the owner is not in residence. Porcelain white, gray or shaded white/gray tiles may be installed on lanais.

Residents in units that have windows facing A1A must use neutral shades or drapes and install hurricane windows with grides to maintain conformity. Non-conforming draperies or windows are subject to removal. All other residents cannot install a window with grids. All doors must be installed with clear/gray impact glass when replaced.

WATER HEATERS and AIR CONDITIONERS. Tankless hot water heaters are not allowed. The term limit on installed water heaters is not to exceed 12 years of age. A water heater must be changed out regardless of working order. In the event a water heater causes damage to another unit via the age and quality of the heater, the owner of that water heater is responsible for repairs and damage to the affected owners, building and any other costs associated with clean-up. In the event an owner has installed a tankless water heater, which is strictly prohibited, the owner is responsible for all electrical repairs that may cause a power failure in the building.

AC units should be cleaned on a semi-annual basis and is the owner responsibility. Owners with AC units that cause damage and have not been serviced will be responsible for repairs and damage to the affected owners, building and any other costs associated with clean-up.

BALCONIES, CATWALKS AND PORCHES. No bathing suits, towels or clothing can be hung from the railings. No mops can be shaken from the balconies, or windows. No loose articles shall be left on porches during the hurricane season or extended absence if a caretaker is not immediately available to remove the items. Items such as water rafts, door mats, carts, building materials, tables, chairs, or any other items left on catwalks will be subject to removal and disposal per LBTS Code Compliance. Bikes may be stored on lanai's if there is no room available in the bike room. Owners are not allowed to have more than two bikes in the bike room.

DAMAGED COMMON AREAS. Damage to common areas, including but not limited to the landscaped areas, recreational and common elements, caused by a unit owner, guests or invitees, is the sole responsibility of the unit owner. PETS. As of June 1, 2021, pets shall be restricted to aquarium fish, pet birds, small mammals and domestic cats. In the event a resident is "house sitting" an approved pet, the property manager must be notified of the pet in residence and the time frame the pet will be on the property. Visiting dogs are not allowed at any time. Absolutely no exotic pets are acceptable such as snakes, reptiles, spiders or any other venomous creatures. Owners that have pets on the property must register all pets, and the number of pets with the property management company.

Dogs that are not service dogs on the property as May 31, 2021, will be considered "grandfathered" and will be allowed. Dogs are prohibited from the pool area, shall be on a leash at all times, and never be outside without the owner. An owner shall not allow a pet to create a nuisance. The term nuisance in this paragraph shall include, but not be limited to, aggressive behavior, disturbances to other residents by barking, scratching, screeching, howling and other sounds. Should the BOD determine that an owner is in violation of this nuisance provision and does not take corrective action to address the nuisance, the BOD shall levy a fine of \$100 per day up to \$1000 per incident. If it is determined by a vote of the BOD the owner has allowed the pet to continuously create a nuisance, the board will provide documentation of such to the owner with specifics and the pet will no longer be allowed on the property.

It shall be the responsibility of the owner to ensure that all local, city, county, state and federal laws, ordinances and other FL are strictly complied with concerning pets. The owner of the pet shall be strictly liable for all damages and be liable for all injuries. In addition, the owner of a pet shall indemnify and hold the WTA harmless against any and all claims, liabilities, demands, debts, obligations, costs and expenses (including all attorney's fees and costs at all levels trial and appellate) which may be sustained by or asserted against the Association and/or the members of its Board of Directors by reasons of acts of said pets committed in or about the condominium property.

Service dogs per Federal Guidelines and Florida State Law are allowed. All service dogs must show proof of certification. Owners must present a bona fide certificate from their physician if the service dog is required for emotional purposes. These dogs must have proof they have been trained as a service dog. No internet certification will be accepted. Service dogs are entitled to all rights and privileges allowed by law.

SIGNS. No sign, advertisement, notice or other lettering shall be exhibited, inscribed, painted or affixed by any owner or occupant on any part of the outside or inside of the unit, or upon any portion or part of the common elements without the prior written consent of the Board of Directors.

SECURITY. Cameras can be installed to monitor your own premise and door entry. The camera must be reported and reviewed by Phoenix. In the event if the camera monitors the pool area or other area people expect privacy, the camera must be removed immediately.

TRASH. All refuse shall be securely tied in plastic bags and placed in the dumpster. Recycled garbage should not be in a plastic bag and is subject to LBTS rules and regulations. Anyone disposing of bulk garbage or construction materials in general refuse will be subject to fines. Proper disposal of bulk materials is the responsibility of the residents. LBTS bulk pick up is the first Friday of the month. Items can be placed on A1A for removal.

APARTMENT KEY and CARETAKERS. A workable key for each apartment must be deposited at the office. The key must be kept in a secure lock box and labeled by the BOD. The key will only be used in case of emergency, and a board member or the property manager must be present if a unit is entered. Every attempt possible will be made to notify the owner of the need to enter a unit. Refusal to give a key to the property manager can create a fire hazard or other liability. Therefore, a unit owner that will not turn over a key will be required to sign a waiver that all damage, as a result of no access, will be a charge back to their unit. In the event the door must be opened, and a

WHITTIER TOWERS APARTMENT ASSOCIATION HOUSE RULES

caretaker is not available, a locksmith will be called, and the charges will be incurred by the owner. A caretaker is required for all owners. When a unit is left vacant, the unit must be visited bi-monthly to check for water, roaches and other issues that will affect the building. Not having caretaker checks is a violation.

ASSOCIATION APPROVAL REQUIRED FOR LEASES, SALES AND ALL NEW RESIDENTS, RESTRICTIONS ON LEASING.

The WTA By-Laws governs Proprietary Leases, and the WTA Association approval is required for the sale or lease of any unit. No apartment owner may transfer an apartment or any interest therein by lease or sale without prior written approval of the Association. In the event the owner of an apartment is not an individual but an entity, is a corporation, LLC or partnership, any change of ownership or control of such entity must be noticed to the WTA and the Management Company and submitted to the BOD for approval before the transfer can be made. Any sale or lease which is not authorized pursuant to the terms of the By-Laws shall be void. In the event an owner moves in a tenant without screening, the owner is subject to fines. All people in permanent residence, regardless of the fact they are not the lease holder, must be screened prior to moving into a unit. The tenant will be requested to vacate the premises immediately if the process is not followed.

The WTA Association has an approval time of 30 days to approve a sale or lease. The property management company and BOD will not delay the process unnecessarily, but at no time shall an owner/buyer/seller appeal to the BOD or property manager to reduce the timeline, alter the process, or push to expedite the process.

An owner who defaults on monthly payments of fees due to WTA will forfeit their right to rent for a period of one year. In the event a tenant is in residence, the tenant will be given the required 60 day notice to vacate the unit.

RESIDENCE USE. Apartments cannot be used for transient rental or be used for commercial or professional business purposes. Violations will be subject to \$100/day fines that can be levied up to a maximum of \$1000 per incident and posted to the owners HOA fees. The proprietary lease is subject to being revoked if more than two occurrences can be confirmed.

RENTAL FEES. A deposit of \$500 dollars must be submitted to WTA by the owner for both long term and short-term tenant occupancy. The fee will be kept in an escrow account and returned to the owner when the tenant vacates the property. In the event the tenant causes damage to the property, otherwise violates house rules and/or bylaws when they vacate the property, the deposit will be forfeited. The unit deposit for said owner will then be raised to \$1000 dollars for future rentals for the next 12 months. In the event the next tenant violates house rules and/or bylaws, the unit owner will be suspended from renting for two years. Owners that violate the rules on rent will forfeit their 500 dollar escrow. Tenants and guests are subject to abiding by all House Rules, and it is the responsibility of the owner to insure knowledge of those rules prior to the application process.

Renters are never allowed to have overnight guests when they are not on the property. In the event of an extenuating circumstance such as a hurricane, pet sitting, or other unexpected issues, the owner must seek approval of the BOD to allow the guest and pet to remain on the property. In addition, a renter with a guest exceeding 7 days must notify the property manager or the owner will be in violation of the rules.

LONG TERM RENTAL.

Rentals are capped at 30% (15) per 10/24 WTA Owner amendment. Please refer to the By-Laws for further explanation.

A rental lease that is in effect will be honored at the time of a sale. In the event the renter wishes to continue to lease from the new owner, the lease will be approved if the tenant has remained in good standing. At the time the

WHITTIER TOWERS APARTMENT ASSOCIATION HOUSE RULES

tenant vacates their lease, the new owner will not be allowed to lease if the cap amount will be exceeded. The new owner will have to wait until an available opening.

Along with providing a lease for a tenant, an owner who rents must submit proof of a premises liability of 500,000 dollars in the policy declarations.

Prospective tenants are subject to a screening that includes a background and credit check on the initial application which may be waived for subsequent renewals. The BOD reserves the right to request an additional screening prior to the lease renewal and all renewals are subject to BOD approval. Long-term rentals shall be 12 months. An applicant with a criminal background, a credit score of less than 650, and a history of credit delinquencies will not be approved.

The property management company must be notified of the owner's intent to renew the lease **no less than sixty days prior to the lease expiration date.** Any tenant that does not hold a lease after the expiration date will be subject to eviction per FL Law. **Owners that do not comply with submission of the lease will be barred from renting for a period of one year.**

All tenants are to communicate directly to their landlords for property issues. The landlord is expected to communicate with Phoenix Management for resolution. Landlords will receive notice on violations of a tenant from the management company and resolution will occur between the owner and management company.

Per FS State Statute 719, the WTA Association will adhere to the following:

When a unit is leased, the tenant has all use rights in the association property available for use generally by the unit and the unit owner does not have such rights except as a guest. This subsection does not interfere with the access owner rights of the unit owner as a landlord pursuant to chapter 83.

Owners may not park as a guest in the lot unless it is for the purpose of checking their unit with the tenant's permission. The owner forfeits their rights to the pool, dock, beach, propane grill and picnic area and any and all common areas.

SHORT TERM RENTAL. Prospective tenants are subject to a screening that includes a background and credit check. Short-term rentals are allowed once per calendar year (January to December) for a minimum period of one month. An applicant with a criminal background, a credit score of less than 650 and a history of credit delinquencies will not be approved. In the event an owner allows a tenant to occupy the unit without properly notifying the property management company, the owner will forfeit their right to rent both long term and short term for a period of two years. Returning short-term rentals must have a new lease for the period of time they are on the property.

OWNER GUEST USE. Bona fide guests are friends or business acquaintances and may occupy the unit. Owner's guests may not exceed two seven-day stays or a maximum of 14 days per calendar year. No guests can be in residence for less than a seven-day period. All guests must be registered with the property management company prior to taking residence. Violation of this policy will result in the owner forfeiting the right to have guests for a period of one year. Guests that are not registered will be considered transient rentals, subject to removal, and fines will be levied against the owner for House Rule violations.

FAMILY USE. Owners' immediate family, designated as family up to twice removed, are allowed use of the unit at any time. Owners that desire family members to have use of the unit must register family member names via email with the property management company which will be logged in the owner's permanent records. Term of occupancy is a maximum of 90 days, and the property management company must be notified when family members are in residence. This rule also applies to tenants with visiting family members.

PROCEDURE FOR OBTAINING ASSOCIATION APPROVAL.

An apartment owner intending to make a bona fide lease or sale of his apartment or any interest therein shall give to the Property Management Company in writing of such intention with the name and address of the intended lessee or purchaser. The intended lessee or purchaser is required to submit an application form. The application fee is \$100, or such other amount determined by the Board to the extent permitted by the Florida Condominium Act. The application fee covers the cost of obtaining a background check and other costs of processing the application. The applicants shall also be required to participate in a personal interview conducted by the Board of Directors or person(s) designated by the Board. The applicant is required to contact the legal firm representing Whittier Towers Apartment Association to obtain the Proprietary Lease and the property management company will give out this information. Co-op documents, and any other Title Company requirements are received through the legal entity or property management company. Prospective owners and their realtors may not contact the board of directors at any time for any purpose. An owner may contact the BOD via email with questions relating to a sale/rental at whittiertowers1439@gmail.com. There shall be no open houses at WTA without board approval. Within thirty (30) days after receipt of application, information, and after the interview, the Association must either approve or disapprove the lease or sale. If approved, the approval shall be stated in a certificate executed by the president and secretary of the Association. If the Association shall disapprove a lease or sale of an apartment, the apartment owner shall be advised of the disapproval in writing, and the lease or sale shall not be made. Owners who are not in good standing with HOA fees or in arrears on fees due will not be allowed to lease until such time all fees are paid. Any sale or lease which is not authorized pursuant to the terms of the By-Laws shall be void unless subsequently approved by the BOD.

Purchase by Entities. In order to preserve and protect the residential character of Whittier Towers Association, and to prevent transient occupancy, ownership by a corporation, limited liability company, general partnership, limited partnership or trust shall require: (1) designation of an individual (called Occupant) as the person to occupy the unit with the same rights to utilize the unit for residential purposes as applicable to a unit owner, and (2) the Association's approval of the designated occupant whose rights of occupancy and use shall be exclusive to said designated occupant (on the same basis and subject to the same limitations, governing documents, rules and regulations as applicable to a unit owner). As a condition for approval, the Association may require the owner and occupant to execute written documents which require the designated occupant to individually guarantee all obligations of the owner.

Restrictions and Related Actions. Only the entire apartment may be rented. The occupancy is limited to the lessee and members of his or her immediate family. No individual rooms may be rented, and no transient tenants may be accommodated. No lease shall release or discharge the owner of duties as an owner. The Association may bring an action to evict a tenant for violation of any rule of restriction, and such right is in addition to all other enforcement remedies available to the Association. The association may require, and the owner and lessee(s) shall agree, as a condition of approval of the lease, to execute an agreement acknowledging the lessee's obligation to adhere to all rules and restrictions of the Association, and agree to the Association's remedies in the event of a default.

If an apartment is leased and the owner becomes delinquent by more than 30 days in payment of HOA fees, assessments or other charges to the Association, the Association can collect the rent from the lessee to compensate the Association for assessments due, as well as any interest, costs, and associated attorney fees.

If a lessee becomes a nuisance or otherwise conducts himself or herself in a manner which is unreasonably disturbing to other residents(s), the Association may bring an action to evict the lessee or may deny any application to renew the lease. The Board's determination of whether the conduct of the lessee is a nuisance or is unreasonably disturbing shall be conclusive and determinative. This remedy is in addition to all other remedies of the Association.

NUMBER OF OCCUPANTS.

No owner is allowed to sublease the dock.
2. Application for slip use is submitted to WTA in writing. If a slip is deemed available per WTA, the aforementioned items must be submitted. There will be no transfer of a slip from owner to owner. The WTA maintains all rights to assignment of a slip.

Owners and renters may keep water boards or kayaks on the property and are allowed to be launched at the sea wall or adjacent dock. Overboard discharge of trash, human or animal waste, fuel or lubricants from boats or docks is also prohibited.

9. Boats used for commercial purposes are prohibited.
10. Houseboats, Air Boats and Personal Watercrafts are prohibited.
11. A boat that is assigned a slip must be fully operational and in good condition. No restoration of a boat is allowed.

accurate records of application and documentation.

Shareholders requesting a slip will be accommodated if possible. Once all slips are taken, a waiting list will be established by both WTA/Property Management Company.

In the event applications for a slip exceed availability, purchase date of the WTA unit will govern assignments. At no time can a shareholder "bump" an existing owner that has been assigned a slip.

Shareholders paying an annual fee of \$1800.00 per year are allowed to maintain access to the slip with an annual renewal. Shareholders requesting short-term slip rental will be \$150 per month if available. No guarantee of slip access will be given after the rental term is exceeded. At no time will the Property Management Company or BOD give out the shareholder names on the waiting list.

The line item in the WTA budget shall be established and maintained for the purpose of recording and collecting fees and used for dock improvements, water and electricity. Unused fees may be used for additional budget needs. The sea wall bulkhead and dock will be maintained as a common area with all shareholders responsible for repairs.

REQUEST FOR RECORDS.

The Association Secretary or other Board member shall, in his or her sole discretion, determine what constitutes a single record. Under no circumstances does a record include any document already in existence, nor records whose retention period has expired as provided for by law or rule whether or not said records are still in existence. Records not maintained in written form may be requested, however, the cost of conversion of the record into written form will be borne by the requesting unit owner.

A unit owner desiring to inspect the records of this organization shall submit, on a working day, a written request to the Association Secretary. The request shall describe each record desired in sufficient specificity to identify it, must specify pertinent dates or time periods, and shall state the purpose of the inspection. The request must be legible and must describe records by type such as listed in Florida Statutes and not be subject matter such as "all insurance information".

A written request to inspect the records containing more than 10 records or constituting in the whole more than 200 pages of material may require more than one appointment for inspection purposes. In addition, any request for documents readily available on www.whittiertowersassociation.com are the responsibility of the owner to download. No more than one (1) written request shall be permitted per record per six-month period. Once the record has been inspected by the unit owner or by an authorized representative, or a copy obtained by the unit owner or authorized representative, if the record has not changed, it is not subject to further requests for inspection and/or copying by that unit owner or authorized representative for a period of six months. Any record inspection scheduled as the result of the receipt of a request shall be deemed to be an inspection of all records listed in said request that were not previously indicated as exempt or unavailable.

1. Upon receipt of the written request and within the time period permitted by law, the Association shall respond to the unit owner in writing designating the date, time and place that the inspection shall occur, and that the inspection shall be limited to the records as detailed in the written request, in the event the Association asserts an exemption to disclosure, the unit owner or authorized representative requesting the record shall be advised in writing of the exemption.
2. The record inspection shall occur at the time, date, and place designated by the Association in its response to the unit owner or authorized representative and will be under the supervision of a person or person designated by the association to monitor and assist in the record inspection. The records inspection session shall not extend beyond two hours. The Secretary or other person designated by the Association may institute any supervision or reasonable security measures with regard to record inspection.
3. During the record inspection, no mark whatsoever shall be made on any record, nor shall any pages affixed together by staple, paperclip, or other means be disassembled, nor shall the records being inspected be altered from the sequence in which they are presented for the inspection. Further, no record

inspection shall occur under circumstances which cause the record to leave the control of the association, nor shall any record be removed from the location of the inspection for any reason whatsoever.

4. The Association is not required to make and/or mail deliver record copies to the unit owner or an authorized representative upon demand, but rather the unit owner or authorized representative can request copies, as detailed herein, during the inspection. A unit owner shall pay the Association, in advance, the sum of 25 cents per page for copies of records, said payment to be either cash, business or personal check, whichever the association specifies.
5. The Association shall, in its option, prepare record copies on single-sided sheets of duplexed or duplexed. A duplexed copy shall be, for the purposes of the 25 cents per page charge, two copies. The Association shall not, however, be required to copy two separate documents on a single page for the purposes of minimizing the per page copy cost. Lists of unit owners containing their addresses and/or phone numbers shall not be released by the unit owner or the authorized representative to anyone not a unit owner in this Association. No written request for inspection or copying shall be made in order to harass any unit owner, resident, association agent, officer, director, or employee. Inspection and copying requests not in conformance with these rules will be deemed to be harassment. All people inspecting or requesting copies of records shall conduct themselves in a business-like manner and shall not interfere with the operation of the association office or place where the records are otherwise inspected.
