ARTIST IN THE SCHOOL PROGRAM

The Bradford Art School Inc, believes that “the beauty of art is not what you see, but what others see!” Our program offers a curriculum that allows students to explore and engage with their inner creativity.

Through various bookings and teacher choosing, students will have the opportunity to work with pencil, pen & ink, watercolor paints, acrylic paints, oil pastel and/or clay.

The Bradford Art School Inc. believes students have the ability to express their inner creativity as well as gain insight into the world of art!

The Artist in the School Program offers two different options in regards to bookings.

Option One:

The Bradford Art School Inc. comes to you! This will involve an art workshop taking place in your classroom (grades JK - Grade 8). All art supplies will be provided for students to use! (Approx 2-2.5hrs)
