WELCOME MESSAGE

Sami Ullah

Ceo

From day one, our purpose has been clear: to contribute meaningfully to the advancement of Afghanistan's financial, technological, and institutional infrastructure. We believe that sustainable progress begins with innovative thinking, and it's our responsibility to lead with solutions that are practical, secure, and future-ready.

What began as a vision has now become a trusted name in banking systems, IT services, and secure logistics. This achievement is not only the result of our team's dedication, but also of the trust our clients place in us. Every challenge we accept is an opportunity to grow, to lead, and to make a difference not only for businesses, but for communities and the country at large.

As CEO, I am proud of what we have built—and even more excited for where we are going. I invite you to explore our profile, learn about our journey, and join us in building a smarter, safer, and more digitally empowered Afghanistan.

WELCOME MESSAGE

Najibullah Khoshal

Deputy-Ceo

At Din Sons Logistics Ltd, we are driven by a mission to redefine the financial and technological landscape of Afghanistan through innovation, reliability, and service excellence. As Deputy CEO, I am proud to be part of a team that is deeply committed to delivering world-class banking solutions, IT and security systems, and high-quality logistics services to our valued clients.

In a rapidly evolving world, we continue to adapt, grow, and lead by example—ensuring that every solution we offer is tailored to the needs of our partners in the banking sector, government institutions, international organizations, and private enterprises. Our diverse portfolio, from ATM and POS systems to strong room doors and complete banking infrastructure, speaks volumes about our capabilities and commitment to quality.

We believe that trust is earned through consistency, and excellence is achieved through dedication. With a vision rooted in progress and a foundation built on integrity, Din Sons is more than a service provider—we are a trusted partner in building Afghanistan's secure and digitalised future.

I thank all our clients, partners, and team members who continue to believe in our journey.

ABOUT COMPANY

Din Sons Logistics Ltd are among Afghanistan's most trusted providers of banking, IT, and security solutions. With a focus on innovation, precision, and service excellence, we deliver a comprehensive range of services including self-service banking systems, ATM and POS machines, security printing, banknote processing, and complete banking infrastructure. Our experienced leadership team, with over 18 years in the industry, ensures we consistently meet the evolving needs of banks, financial institutions, government bodies, and private sector clients.

Din Sons Logistics Ltd, plays a vital role in supplying IT equipment, banking stationery, strong room doors, marketing products, and high-end security systems on a contract and bidding basis. We proudly collaborate with international organizations such as WHO, UN, and UNHCR, as well as key government departments, delivering reliable and timely solutions. What sets us apart is our commitment to quality, professionalism, and long-term partnerships making us not just a service provider, but a trusted name in building Afghanistan's secure and digital future.

With a clear vision and a forward-thinking approach, we continue to expand our capabilities and reach. At Din Sons, every project is more than just a contract it's a commitment to excellence, innovation, and national progress. We take pride in being a reliable partner to those who are shaping the future of Afghanistan.

OUR GOAL

Our goal is to lead the digital transformation of Afghanistan's banking and government sectors by providing smart, secure, and reliable solutions built on innovation and years of trusted experience. We are dedicated to modernizing traditional operations through advanced self-service banking technologies, seamless IT integration, secure logistics, and cutting-edge automation. By bridging the gap between legacy systems and digital efficiency, we empower our clients to operate faster, safer, and more effectively.

Leveraging our deep industry knowledge and proven track record, we continuously strive to introduce new technologies and optimize infrastructure to meet the evolving needs of our clients. We envision a future where Afghanistan's financial institutions and government bodies operate with full digital capability, enhancing transparency, security, and accessibility for every user.

At Din Sons Logistics, we believe that innovation is the key to sustainable growth. Our commitment is not just to deliver products and services but to provide tailored, intelligent solutions that drive meaningful progress. We aim to be at the forefront of building a modern, resilient, and digitally empowered Afghanistan transforming ideas into impactful realities and ensuring every step forward benefits the nation as a whole.

MEET THE TEAM

Sami Ullah

Ceo

With a clear vision and a relentless drive for innovation, our CEO leads Din Sons Logistics Ltd with purpose and foresight. He brings deep industry experience and strategic insight to every aspect of the business, guiding the company toward long-term success. His leadership is rooted in trust, innovation, and a commitment to building a smarter, more secure Afghanistan.

Najibullah Khoshal

Deputy-Ceo

Our Deputy CEO plays a vital role in managing day-to-day operations and ensuring smooth execution across all departments. Known for his sharp problem-solving skills and operational focus, he ensures that every project meets our quality standards and client expectations. His dedication and discipline help turn vision into action and challenges into opportunities.

Waseem Ullah

Head of Marketing & Supplies chain

Wearing two critical hats, our Head of Marketing and Supply & Procurement leads with both strategic creativity and logistical precision. He builds strong relationships with clients, manages our public presence, and ensures that every supply chain function runs smoothly and efficiently. His dual expertise drives both brand growth and timely delivery of high-quality solutions, making him an invaluable part of our leadership team.

THE COMPANY VALUES

At Din Sons Ltd and Din Sons Logistics Ltd, our values are the foundation of everything we do. They guide our decisions, shape our culture, and define how we serve our clients and communities. We believe that true success comes from a commitment to integrity, innovation, and excellence—values that are embedded in every service we provide.

Integrity

We conduct business with honesty, transparency, and accountability. Trust is the cornerstone of our relationships—with clients, partners, and employees.

Innovation

We embrace change and continuously seek smarter, more efficient solutions. Our goal is to lead the way in digital transformation across banking, IT, and government sectors.

Quality & Reliability

We deliver what we promise without compromise. Every product, service, and project reflects our commitment to high standards and dependable outcomes.

Customer Focus

Our clients are at the heart of our business. We listen, understand, and tailor our solutions to meet their exact needs.

OUR RESPECTED CLIENTS

We are deeply honored to work with a wide range of esteemed clients whose trust and confidence continue to inspire our growth and commitment. Each partnership is a reflection of mutual respect, shared goals, and a vision for progress. At Din Sons Logistics, we value every client relationship as a lasting alliance built on integrity, professionalism, and results. Their continued support drives us to innovate, perform with excellence, and deliver solutions that make a real difference. We remain committed to serving our clients with the highest standards of quality and dedication today and into the future.

OUR PARTNERS

At Din Sons Logistics Ltd, we are proud to collaborate with a network of reliable and world-class supply partners who enable us to deliver exceptional quality and advanced solutions to our clients. These partners provide us with trusted banking systems, IT equipment, security infrastructure, and specialized products that form the backbone of our operations. Their consistency, innovation, and global standards ensure we maintain the excellence our clients expect. We value these partnerships as an essential part of our growth and success, and we remain committed to building long-term, mutually beneficial relationships with all our suppliers.

OUR PROJECTS

ATM Machine Supply & Installation

Din Sons has successfully supplied and installed high-quality ATM machines from globally recognized brands such as NCR, Wincor Nixdorf, and Diebold Nixdorf across various financial institutions in Afghanistan. In addition to full machine installations, we also provide a wide range of original ATM parts including card readers, dispensers, cassettes, printers, sensors, and more.

POS System Deployment

Din Sons has delivered and configured modern POS (Point of Sale) terminals for various banks and financial institutions to enhance digital transactions and payment solutions.

Queue Management System Setup

We have implemented advanced queue management systems in bank branches and public service centers to improve customer service efficiency and reduce waiting times.
