Price:

All prices quoted herein are in USD based on CIF Duty Paid without putting the machine into operation at the Buyer's plant.

Payment:

30% down payment with contract of an order confirmation, 60% prior to machine shipment, and the balance 10% shall be paid after machine set-up via T/T Remittance to our account.

Delivery:

The machine and equipment shall be completed at Nakashimada approximately in 3 months after receipt of order and confirmation of specification by Buyer. Any dates quoted for delivery are approximate only and the shipment shall be subject to shipping space being available. The delivery time shall be confirmed at the time of order confirmation.

Packing:

The machine equipment shall be packed in one complete wooden or similar sea-worthy cases, and the above quoted prices include such packing charges.

Warranty:

Duration of the warranty period of the machinery and/or equipment except any consumable parts and forging tools proposed herein is **12 months** after starting production at the Buyer's plant but at the **longest 15 months** after the buyer is advised of readiness of the machinery/equipment for shipment. Our responsibility is only for the troubles caused from faulty design of the machinery and equipment and/or poor workmanship.

Nakashimada's General Business Practices and Trade Terms:

Please read through the entire "Nakashimada *General Terms and Conditions of Sale -- 201310a*" in a separate attachment to this Quotation. By accepting this Quotation, Buyer understands and agrees to Nakashimada Engineering Works, Ltd.'s "General Terms and Conditions of Sale" set out in that document.

Offer validity: February 29th, 2024
