REORGANIZATIONAL COUNCIL MEETING MINUTES
FEBRUARY 5, 2018 @7:00 PM
159 MONROE STREET
PROSPECT, PA 16052

CALL TO ORDER:

President Bill Katz called the regular meeting of the Prospect Borough Council to order @ 7:00PM. There was a salute to the flag and Mayor Butler asked for a moment of silence. The following council members were present: Mary Harmon, Bill Katz, Nick Vaccarello, Eric Hilliard, Janice and Bob Boice, Todd Wilson and Mayor Jim Butler. Stephanian & Menchyk, LLP Solicitor, Andy Menchyk and KLH Engineer, Shawn Rosensteel were also in attendance.

APPROVAL OF MINUTES: There were no changes to the January 2, 2018, Regular Council Meeting minutes. Mr. Hilliard made motion to approve the January 2, 2018 minutes; Mrs. Boice 2nd. All in favor, motion carried and approved.

VISITORS: none to be heard

LIBRARY/RECREATION: No report submitted

PUBLIC SAFETY:

Old Business: Nothing to report.

New Business: Mr. Hilliard said the Fire Dept. received \$11,728.00 in grant money. Mayor said they are having Fish Fries every Friday now. Ms. Harmon asked Mr. Hilliard if he knew whether the Fire Dept. has contacted Franklin Twp. to see if they are helping the fire Dept with the radio costs. He said no.

PLANNING COMMITTEE: Mr. Vagasky

Old Business: Mr. Vagasky reported that the McGowan plan still has some changes to make and asked that it be tabled till next month. Mr. Vaccarello made that motion. 2nd motion by Mr. Hilliard. All in favor, motion is carried and approved.

New Business: Nothing to report.

STORMWATER MANAGEMENT AND STREETS:

Old Business: GIS mapping: The mapping was completed, and Mr. Simcic must review now.

New Business: Mr. Vaccarello reported with the heavy rains in January that Wilson Road needs to be looked at because 20 feet is coming apart and water is gushing out by end of Wagner's bus Garage. Snow plow people are doing an excellent job.

Mayor said that on West McGowan Street there is discharge water running onto the road. Mr. Vaccarello said he would go and look.

BUILDING AND GROUNDS/MAINTENANCE FACILITY:

Old Business: Generator with back-up lighting: Tabled till next month's meeting.

New Business: Security System: Mayor said he is still looking into other options and prices.

Mr. Hilliard asked if the diesel tank had a containment area for it. Mr. Vaccarello said there used to be a double wall aluminum tank here that we could use. This is tabled till next month to see if we still have that tank.

Mr. Hilliard made a motion to purchase a 4-foot LED shop light from Lowes for \$73.92 for the Police Office. 2nd motion by Mr. Vaccarello. All in favor, motion is carried and approved.

PERSONNEL:

Old Business: Mrs. Boice made a motion to confirm phone vote to hire a new part time at will maintenance work, Robert Leach. During his probation period of 90 days, he will be paid \$10.00 an hour. 2nd motion by Mr. Vaccarello. All in favor, motion is carried and approved.

New Business: Mr. Hilliard made a motion to let Mr. Simcic have an expense account up to \$200.00 a month without having phone votes. 2nd motion by Mr. Boice. All in favor, motion is carried and approved.

MAYOR: Nothing to report.

POLICE:

Old Business: The number of hours worked in January were above the requirement.

143 N. Franklin Street: Mr. Menchyk has written the citation and the Mayor will file it with the magistrate.

Main Street property: The Mayor is still watching this property to see if they clean it up.

New Business: Chuck Tatton turned in his letter of retirement as of February 3, 2018. The Mayor is also talking to Dave Murrman to see if he is interested in working here again.

SEWAGE:

Old Business:

Corrective Action Plan (CAP) Extension: Shawn is waiting on a meeting with DEP to go over this.

New Business: The next Sewage Committee meeting will be scheduled for Tuesday, February 13 at 10 am.

PA Small Water & Sewage Grant application: A grant application will be prepared and submitted by KLH. It is a 15% match from Borough. Mr. Vaccarello made a motion to adopt Resolution 2018-16 – Declaring intent to apply for Sewer Grant. 2nd motion by Mrs. Harmon. All in favor, motion is carried and approved.

Mr. Hilliard made a motion to have Mike McCaffery to come and look at the electrical panel and the computer system at the EQ tank at Wilson Pump Station. 2nd motion by Mr. Vaccarello. Shawn Rosensteel said he would donate his time to come along for meeting.

TRUCK COMMITTEE: Mr. Vaccarello made a motion to purchase a new Ford F350 Regular cab truck for \$30,386.00. Wide Out Snow Plow for \$8,284.00. Salt Spreader controls installed \$712.13. The grand total is \$39,382.13. 2nd motion by Mr. Hilliard. It will take about 2 months to take delivery. The funds from the CD's and Shadrack's Amusement Tax will pay for truck.

Prospect Borough Decals for \$50.00 and installed on both sides from U.S. Municipal.

Undercoating quote from Armour Linings - \$149.95 for Truck, \$40.00 for plow and \$20.00 for spreader. Then there was a discussion about where to get it undercoated at and prices. This was tabled till next month's meeting.

Mr. Simcic wants to wash the truck at the car wash once a week to spray off undercarriage to protect it.

SOLICITOR Andrew Menchyk:

Old Business: Codification of Books: General Code is starting now with the process. Once it is totally done, then Solicitor will make a new ordinance to adopt the changes.

Fehl property: The deed will be drawn up now since Title search was done, and Mr. Fehl does not own it, but the Miller's do.

Armstrong Cable renewal update: Solicitor is currently reviewing and working with Armstrong on our agreement after Armstrong sent a new draft. Borough will get free cable and a reduced price from \$217.50 to \$153.90 a month.

Floodplain Ordinance: A draft of this ordinance was passed out for review and will need to be adopted at the next meeting.

OLD BUSINESS:

Nothing to Report

NEW BUSINESS:

Names plates for each person for at Table - \$10.00 to \$12.00 each. After discussion, it was noted that we would table for now.

Business License – Discussion was about putting a business license flat fee for each business in Borough. Council decided that it would not make enough money to be profitable if we did this, so Council decided not to implement a business license at this time.

Lowering Flood Risk Workshop will be on Feb. 20 at Cranberry Twp. From 8:30 to noon. It is a free class. Mr. Vaccarello said he would attend.

Penn Dot Connects Workshop is on March 22 at Butler County Courthouse from 1 to 3 and it is a free class.

Mr. Katz recognized past council members and gave out certificates of recognition to Sam Wagner, Glen Gitzen, and Bill Marciniak. Sam Wagner was only one in attendance and we will give out others later.

CONSULTING ENGINEERS REPORT

SEWER SYSTEM IMPROVEMENTS PROJECTS

1. **Control Valve at the EQ Tank** - This continues to be monitored nothing new to report.
2. **Wilson Road Pump Replacement** - Nothing new to report.
3. **Corrective Action Plan (CAP)** –DEP has agreed verbally to a revised CAP. This CAP is to include the following 3 phases:
 - a. Flow monitoring at Wilson Road Pump Station and Park Tank,
 - b. Engineering Evaluation of Park Tank,
 - c. Design of required system upgrades and funding consideration.

Once these phases are complete, the CAP will need to be updated to include construction activities with milestones. This will be formalized in a letter to DEP following the March Sewer Committee Meeting.

4. **GIS Sanitary Sewer Mapping** – Per our proposal dated May 31, 2017, KLH has provided a GIS map for showing all information currently available for the sanitary sewer system. Should the Borough want to include any additional information into this mapping, KLH will provide a quote to collect this data and incorporate it into the existing mapping.

STORM SEWER PROJECTS

5. **Wilson Road** - As directed, KLH has placed all storm water projects on hold until further notice.
6. **GIS Storm Sewer Mapping** – KLH completed the GPS of the features on November 7, 2017. A draft of the map has been provided to the Borough for review and comment before it is finalized.

MISCELLANEOUS ENGINEERING

7. **DCNR Engineering Evaluation** - Based on the July 16, 2013 Agreement between Prospect Borough and DCNR, DCNR has indicated that Prospect Borough is required, according to Item 24 of the Agreement, to submit a request for tap-ins to them for approval. Additionally, DCNR is requiring that an engineering evaluation of the Storage System be completed concurrent to the request. This will be completed as part of the revised CAP.
8. **I/I Issues** - Borough crews have located a sanitary sewer with heavy I/I. This line cannot be lined and will need to be replaced. Nothing new to report.
9. **Monroe Street** – Nothing new to report.
10. **Small Water/Sewer System Grant** – A grant application for the replacement of the forcemain and upgrades to the pump station on Wilson Road has been prepared and was submitted by the February deadline for the Borough.

 - C. It is recommended that upon approval of the Borough Engineer that the Lot Line Revision of William D. Rodgers and the Estate of Joan Crichlow Rodgers be considered by Borough Council..
- III. Meeting was adjourned at 7:55 PM.

Also, there was an inquiry from a Mr. Pavovich concerning a lot line revision and another inquiry from Mr. David Kennedy concerning a septic permit that was issued and not used. I suggested that the Sewage Enforcement Officer be contacted concerning the permit for Mr. Kennedy and gave the office information concerning the Planning Commission meetings for Mr. Pavovich.

Proclamation

PROSPECT BOROUGH

WHEREAS, the month of April 2018 is recognized as 'Pennsylvania 811 Safe Digging Month' across our Commonwealth, an initiative supported by Pennsylvania 811, a utility notification information center celebrating its 46th year of continuous service to the Commonwealth of Pennsylvania, and

WHEREAS, this unique service provides an easy to use one-call notification about excavation projects which may endanger workers and jeopardize utility lines while promoting workplace and public safety, reducing underground utility damage and minimizing utility service interruptions while protecting the environment, and

WHEREAS, the Pennsylvania One Call System began with only six utility companies in Western Pennsylvania and now serves more than 100,000 excavators and 3,600 critical underground infrastructure owners throughout the Commonwealth, and

WHEREAS the service annually receives more than 800,000 notification requests and transmits more than six (6) million notifications, providing protection to utility companies, their employees, customers, and the general public, and

WHEREAS, economic development throughout PROSPECT BOROUGH and Pennsylvania is growing, and it is important to minimize the damage to underground utility lines, danger to workers, environmental pollution, and the loss of utility services, and

WHEREAS, we are thankful for the service provided by Pennsylvania 811 and encourage all residents, engineers, designers, excavators and homeowners to dial 8-1-1 at least three business days in advance of an excavation project such as planting a tree, installing a mailbox post, building a deck or swimming pool or replacing a driveway.

NOW, THEREFORE, BE IT RESOLVED that PROSPECT BOROUGH does hereby proclaim April 2018 as "Pennsylvania 811 Safe Digging Month" in PROSPECT, PA.
