

## Stop the Bleed and ALICE Training

**Stop the Bleed:** is a national awareness campaign and call-to-action. Stop the Bleed is intended to cultivate grassroots efforts that encourage bystanders to become trained, equipped, and empowered to help in a bleeding emergency before professional help arrives.

### **ALICE (Alert, Lockdown, Inform, Counter, Evacuate) Training**

**Description:** This training is designed to give participants insight and response options when encountering an active shooter. ALICE (Alert, Lockdown, Information, Counter, and Evacuation) is an acronym that provides options to respond to a violent intruder situation. This training will provide a didactic overview and a scenario-based role play.

**Who should attend?** Anyone interested in learning about preparing and responding to an active shooter event in your church, workplace or home.
