

# ESPADA SPECIAL IMPROVEMENT DISTRICT FY 2025-2026 BUDGET

## Program Description:

The Espada Special Improvement District was created by the order of the Bexar County Commissioners Court under the authority of Article III, Sections 52 and 52a of the Texas Constitution and Chapter 382 of the Local Government Code. The purpose of the district is to enter into economic development or grant agreements with developers within the district to induce the developer to construct housing developments as well as supporting infrastructure, public improvements and to construct facilities for parks, recreation and open space within the district. To accomplish the purpose of the district, the district may levy an ad valorem tax not to exceed \$0.54159 per \$100 valuation, a Sales and Use Tax of 2 percent of each retail sale subject to the state sales and use tax. On November 5, 2024, an election was held authorizing the creation of the district, the levy of taxes, the creation of economic development or grant agreements, and the issuance of bonds and the levy of taxes to pay those bonds.
