## Now is the time of year when there may be excess moisture and/or mould in your home.

There is a relationship between indoor mould, damp conditions, and increased:

- Eye, nose and throat irritation
- Coughing and phlegm build-up
- Wheezing and shortness of breath
- Symptoms of asthma
- Allergic reactions

If you see signs of damp, mould, or moisture in your house, or if the above symptoms apply to you, please contact the Health Centre at **(250) 342-6379** for assistance. An Environmental Health Officer with FNHA can assess your home. Read more information on recognizing and preventing mould [here](#).

## Notice:

The Ministry of Transportation is planning to re-pave Kootenay Road #3 in Summer, 2025.

We will post updates when we receive more information regarding dates, closures, or detours.

## Notice:

A form for Simplified Renewal - Secure Certificate of Indian Status (SCIS) is available for your convenience on our website under [www.akisqnuk.org/?akisqnuk-members](http://www.akisqnuk.org/?akisqnuk-members)

## ?akisqnuq challenge: Share Your Story with Us!

We want to hear from you! Share your life stories, experiences, and memories with the ?akisqnuq community. Whether you're an elder, youth, or a reclaimed status member, your story matters.

### **Why Share Your Story?**

Sharing your stories helps us connect and understand each other better within the ?akisqnuq community. By telling and listening to each other's experiences, we can heal together, witness each other's journeys, and educate ourselves about where we are as a people. Your story is a vital part of our collective history and future.

### **How to Participate:**

- Submit your stories, and photos via email or set up an appointment with Theresa
- Include photos (old and new) if you have them.

# AFN PROJECT MANAGER BOB COTTERALL UPDATE NO.9

# MULTIPURPOSE FACILITY

COMMUNITY MEMBERS ARE INVITED TO DROP BY THE PROJECT MANAGERS OFFICE ANY TIME TO DISCUSS ANY QUESTIONS THEY MAY HAVE.

## DEAR ʔAKISQNUK COMMUNITY,

I am pleased to provide you with an update on the status of the construction of the Multipurpose Facility. The latest fourplex housing unit is also under construction.

The Multipurpose facility has continued to proceed with the removal of the previous Administration Building. It was sad to see the building go, but the foundation of the removed building will be utilized, so it will still be a part of the new building. The existing floor plate was incorporated into the new floor layout which worked well and provided some cost efficiency.

Wildlife biologists were present during the demolition process monitoring the activity to ensure any bats were not endangered and all activity responded to the SARA Permit. The good news is that no bats were encountered, as they had already migrated to warmer structures and caves. The enclosed pictures show the demolition of the Administrative Building and the winter conditions.

All Construction activity is on schedule and BC Hydro is currently working with the Contractor to design and coordinate power to the new building.

The pictures below show the demolition of the Administrative Building and the winter conditions.

Construction of the fourplex is also on schedule with interior framing, plumbing and electrical underway.

Danny Burgoyne is proceeding with the design of the new Arbour, with Community input. Please feel free to consult with Danny should you have any questions.

SERENITY AFTER THE STORM

## Recovery Healing Circle

Thursdays, 6pm-7pm  
Wiyu Lodge

A welcoming and supportive environment for community members and their family and friends who are struggling with substance use to share experiences, strengths, and hope to help each other on the road to wellness.

## Are you or someone you love struggling with addiction?

Hello everyone, my name is Shayne Bonenfant. I am a Recovery Mentor & Liaison who works within communities as an independent contractor. I have over 6 years of experience sponsoring & mentoring more than 100 men & women battling addiction. I build relationships with community members and give them the tools to help them create a new life. Ceremony has been a big part of my healing journey. In truth, I am also an addict in active recovery who has gained a lot of knowledge on the grips of substance use & alcoholism. My purpose in life is to help others & do Creator's work.

I am on site at the ʔakisq̓nuk Health Centre every Thursday & Friday, and available to talk any time.

If you would like to reach me, please call or text 403-437-3097 or email me at [shayneb@billward.life](mailto:shayneb@billward.life)

Thanks to everyone who participated in

# Lands & Resources

## Request for participants on ʔakisq'nuq Lands Committee

Do you want to have a voice and contribute your ideas and advice about how to steward ʔakisq'nuq Lands both on and off reserve?

This is your chance!

Do you have:

- Traditional and modern on the land knowledge;
- Knowledge of Ktunaxa Perspective and Values including ʔaknumu:tiit;
- Desire to improve ʔakisq'nuq reserve lands and ʔamakʔis Ktunaxa;
- Interest in Land Stewardship and management;
- Willingness to work with other Ktunaxanintik in a positive and supportive environment;
- Willingness to learn new knowledge, skills and perspectives

Submit a resume and cover letter to [lorne.shovar@akisqnuq.org](mailto:lorne.shovar@akisqnuq.org) if you are interested in joining the ʔakisq'nuq Lands Committee. 4 positions available!

Chronic Wasting Disease is in our region. Watch the videos linked below for how to submit samples.

## ATTENTION HUNTERS: COMPLETE THESE STEPS

### STEP 1.

Prepare to submit tissues for CWD in one of three ways:

#### > Submit a head:

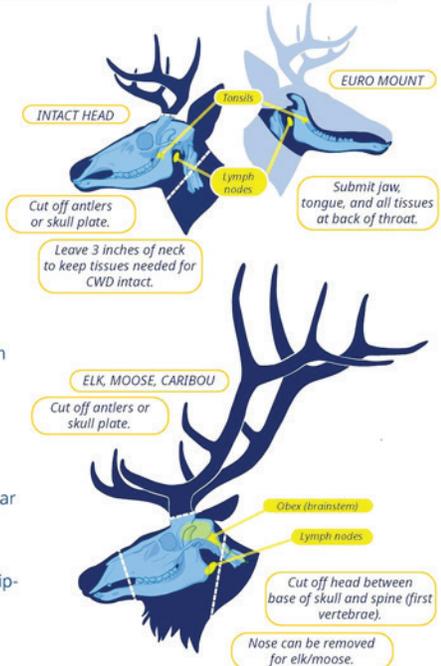

Cut head off animal and remove antlers (nose can be removed for elk/moose).

#### > Keep upper skull for Euro mount:

Cut out lower jaw with the tongue and all tissues at back of throat. Only need lower jaw for deer. Also need the obex for elk/moose.

#### > Submit your own samples:

Remove lymph nodes and tonsils (for deer), or lymph nodes and obex (brainstem - for elk and moose).

### STEP 2.

Fill out CWD Ear Card provided at freezer.

### STEP 3.

Remove and retain perforated portion of Ear Card to look up results online.

### STEP 4.

Attach CWD Ear Card to head or jaw with zip tie, or put in ziplock with samples.

### STEP 5.

Place sample in drop-off freezer.

Place Ear Card inside of the bag.

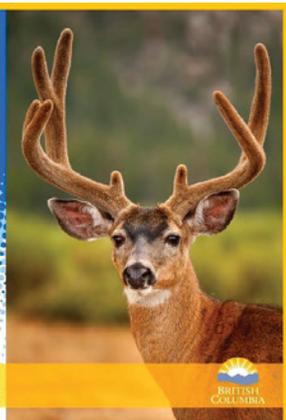

If submitting your own samples, fill out sample info portion on back of Ear Card.

THANK YOU FOR YOUR CONTRIBUTION TO CWD RESPONSE!  
Visit [gov.bc.ca/chronicwastingdisease](http://gov.bc.ca/chronicwastingdisease) for more information

Learn how to submit samples for the testing requirement in the CWD Management Zone (MUs 4-1 to 4-8 and 4-20 to 4-25) on our website.

Hunter samples from deer, elk, and moose are critical for science-based Chronic Wasting Disease (CWD) management.

Be part of the solution and help stop the spread of CWD.

# Update on CWD in our area

1. The Special Hunt for CWD management began in late January. An Information Bulletin about the hunt can be found here: <https://news.gov.bc.ca/releases/2025WLR0001-000071>
2. A 5th CWD case was confirmed Feb 4th. A CWD positive white-tailed buck was harvested in late November near Cranbrook (in Management Unit 4-5).
3. Special Hunt boundaries will be extended in response to the new case. Permits will be issued for February 14th start. Boundaries and maps are under development and will include an area west of Cranbrook.

If anyone has questions, they can email Tyra at [tyra.joe@akisqnuk.org](mailto:tyra.joe@akisqnuk.org) or call **(250)-342-6301 ext. 3824** for more info.

Hu suʔkni, ekosani, thank you to everyone who contributed to filming, organizing, showing, sharing, and cooking for this event! We deeply appreciated having Glenda Abbott share her experiences with the buffalo people, Nasukin Donald Sam for the stories and blessing, the team that contributed to the Taste of Ktunaxa sampling feast, and all other ʔAFN contributors. Thank you to Invermere Film Festival. ʔakisqnuƙ First Nation is proud to be a presenting sponsor of the IFF for 2025.

The Ktunaxa Nation is formally invited to participate in our upcoming **URN & Reaching Home Indigenous Housing Workshop**, which will take place on **February 25, 2025, from 9 AM to 3:30 PM at the St. Eugene Resort.**

This workshop will focus on shaping housing and homelessness funding for off-reserve Indigenous members, with the Canadian Government allocating \$97.5 million over the next 7 years for housing initiatives. We greatly value the perspective and input of the Ktunaxa Nation and organizations working with Indigenous housing and homelessness, as we collaborate to ensure that these funds best support communities.

We'd love for your leadership, as well as anyone in your community who might be interested, to be involved in this important conversation. We would be grateful for any insight or feedback from those who can contribute to this process.

Key Details:

- Travel Stipend: \$100 for the first 50 registered participants. Please register early to secure your stipend.
- Registration: [[URN & Reaching Home In-Person Workshop Registration](#)]

### **About the Event**

The Urban, Rural, and Northern (URN) & Reaching Home Indigenous Housing Engagement Workshops are designed to bring together Indigenous leaders, community members, and key stakeholders to collaboratively shape the future of off-reserve housing and homelessness funding initiatives. These workshops are part of the broader engagement process for the URN and Reaching Home programs, focusing on addressing off-reserve housing challenges and supporting innovative solutions to homelessness.

### **Workshop Objectives**

The workshops aim to:

Identify Funding Priorities – Explore housing needs, challenges, and opportunities specific to off-reserve Indigenous communities.

1. Engage Communities – Facilitate meaningful dialogue to understand short- and long-term goals, ensuring community-driven solutions.
2. Develop Strategic Pathways – Collaborate on actionable strategies to optimize the use of URN and Reaching Home funding.
3. Support Vulnerable Populations – Focus on solutions for women, children, elders, youth, and other at-risk groups.
4. Strengthen Partnerships – Build stronger connections between Indigenous communities, organizations, and government partners to address homelessness and housing equity.

### **Who Should Attend?**

These workshops are open to Indigenous First Nation leaders, housing coordinators, community members, or staff involved in off-reserve housing and homelessness initiatives. Participants will have the opportunity to share insights, influence funding strategies, and contribute to the development of culturally relevant, sustainable housing solutions.

## Indigenous Design & Cultural Safety Lead, Cancer Control BC Cancer Provincial

**Pursuant to Section 42(3) of the British Columbia Human Rights Code, preference will be given to applicants of Indigenous ancestry. We invite applicants to voluntarily self-identify within their cover letter and resume.**

Join PHSA as the Indigenous Design & Cultural Safety Lead and help shape healthcare spaces that honour the voices, knowledge, and traditions of Indigenous peoples. This role is about more than facility design—it's about creating welcoming environments where Indigenous patients, families, and communities feel seen, valued, and safe. You'll work alongside Indigenous partners, healthcare teams, and community leaders to embed cultural safety and humility into every step of planning, ensuring that healthcare spaces reflect the diverse needs, strengths, and teachings of First Nations, Métis, and Inuit peoples.

Your work will foster meaningful dialogue and guide decision-making that respects Indigenous ways of knowing and being. By collaborating with a wide range of stakeholders, you will help ensure Indigenous perspectives are not just included but centered in facility projects across the province. This is an opportunity to be part of a transformative approach—one that strengthens relationships, advances reconciliation, and reimagines healthcare spaces as places of healing, belonging, and cultural connection.

### Regular, Full-Time

**Salary Range:** \$67,861 – \$97,550/year.

Starting salary will be determined based on the successful candidate's experience, qualifications, and lived experiences.

### About our Sanya'kula Team

At PHSA, Indigenous employees are valued, supported, and empowered. The Sanya'kula Team leads Indigenous Recruitment & Employee Experience, working to eliminate Indigenous-specific racism while fostering an environment where Indigenous employees thrive. Through meaningful connection, advocacy, and cultural safety initiatives, the workplace truly reflects and respects Indigenous ways of knowing and being.

Sanya'kula, meaning "Together in Knowledge," embodies a deep commitment to Indigenous employees at every stage of their careers. Culturally safe recruitment, career development, and community-building initiatives—such as five cultural days per year, an Indigenous Employee Network, and Indigenous Communities of Practice—are at the heart of this work. Resume, cover letter, and interview support are also available to ensure Indigenous employees feel supported throughout their journey. Interested in learning more or connecting? ## Manager, Indigenous Cultural Safety & Quality, Patient Safety & Experience - Anywhere in BC (Remote Work)

**Pursuant to Section 42(3) of the British Columbia Human Rights Code, preference will be given to applicants of Indigenous ancestry. We invite applicants to voluntarily self-identify within their cover letter and resume.**

The Provincial Health Services Authority (PHSA) invites you to join a team committed to eliminating Indigenous-specific racism and advancing Indigenous cultural safety in healthcare. As the Manager, Indigenous Cultural Safety & Quality, you will provide essential leadership in developing and implementing strategies that embed Indigenous-specific anti-racism and cultural safety into the practices of PHSA. Working alongside internal and external partners, including Indigenous communities, you will help shape the delivery of quality healthcare services that are inclusive, equitable, and respectful of Indigenous peoples and cultures. You will also ensure culturally safe avenues for client feedback and resolve concerns in a timely, respectful manner.

The role requires a Bachelor's Degree in Health Administration, Social Justice, or a relevant healthcare discipline, along with at least seven years of related experience in professional management, conflict resolution, or crisis intervention. Experience within the Indigenous health sector, particularly in Indigenous cultural safety, will be key to your success in this role. Your ability to facilitate discussions on complex and emotionally challenging topics, coupled with a deep understanding of Indigenous-specific anti-racism work, will be essential as you navigate the complexities of healthcare delivery. A strong foundation in trauma-informed practice, along with your ability to handle difficult situations with tact, compassion, and cultural humility, will help you thrive in this role. If you're ready to lead with integrity and help build an inclusive, evolving healthcare environment, we invite you to apply.

### Regular, Full-Time

**Salary Range:** \$106,026 - \$152,413/year

**Location:** Anywhere in BC (Remote Work)

**Hours of Work:** Monday – Friday, 0830 - 1630
