THE LAND OF THE TWO LAKES

Director of Member Services

ʔakisq̓nuk First Nation ("AFN") is looking for a talented individual to join our team as the **Director of Member Services**. Reporting to the Chief Administrative Officer (CAO), this position provides overall leadership, direction and support for the planning, development, delivery, and administration of Member Services programs. The Member Services Department focuses on the overall well-being of ʔakisq̓nuk members.

ʔakisq̓nuk First Nation is a member Community of the Ktunaxa Nation. AFN exists for the Community. Externally, we are here to serve the Community, and internally, we are our own Community, comprised of different departments unified by our Vision, Mission, and Values. As a team, through our own roles and departments, the AFN Organization works together to achieve our strategic plan "Our Thinking" and continue to progress and move our community forward.

Job Type: This role is full-time working 35 hours per week.

The primary responsibilities include:

Program Management:

- Lead and support the development and management of Member Services programs, ensuring alignment with organizational mission, vision, and community plans.
- Monitor service delivery compliance with local, provincial, and federal regulations, ensuring integration of traditional and cultural health practices.
- Collaborate with managers and coordinators to maintain relationships with key external partners and stakeholders.
- Evaluate program outcomes, set goals, and ensure seamless service delivery that meets community needs.
- Participate in relevant committees, support communication strategies, and engage the community in program development and evaluation.
- Report on program performance, manage compliance issues, and oversee emergency preparedness plans.

Finance and Administration:

- Manage departmental finances, work plans, and budgets in collaboration with the Comptroller.
- Develop funding proposals, oversee financial reporting, and manage funding agreements.
- Ensure records and financial operations comply with legal and organizational standards.
- Coordinate resource deployment and maintain support systems for finance, technology, facilities, and HR.
- Anticipate capital needs and collaborate on business plans.
