

## SAY HELLO TO THE NEW GENERATION PEDICURE

A **CLINICAL HEEL PEEL** for your dry cracked heels performed only by certified clinical professionals. Chemical peels are famous for our face, but many of us have far more dead cells on our feet!

A full foot treatment with a painless callus peel, full foot exfoliator, nourishing mask, all your nail care, and lower leg massage. Leave refreshed with beautifully painted nails if desired.

**SEEING IS BELIEVING!**

Check out the variety of foot treatments we offer at [stillwaterskincentre.com](https://stillwaterskincentre.com).
