

## Picture Day is Sunday, June 14<sup>th</sup>

### **\*Order form with payment is due on Picture Day!**

***\*There is no Make-Up Day! If you miss Picture Day, the optional charge to be superimposed into a group photo is \$150 for the first photo and \$50 for each additional and you must be willing to have your photo taken in Moorpark.***

Each pose or costume change requires the purchase of its own package or the purchase of an a la carte unit. Package 1 allows up to 2 poses or costumes. Although you pay ahead of time before seeing the photo, the experienced photographer will spend as much time with each dancer as needed to capture the best portrait possible!

*\*If you would like to use a photo for a dedication you are purchasing in the recital program, you must purchase the package 4 digital image so that you can email it to Miss Holly. Dedication photos are not coordinated by the photographer.*
