

## **SPUN GOLD GOLDEN RETRIEVERS ADULT DOG APPLICATION**

We only place our animals in homes that have demonstrated to us a strong interest and capacity to provide a lifetime commitment to one of our special dogs. If you plan to make this doggo a part of your family, please inquire.

However, if you want a dog to keep in the back yard and look at, but not interact with other than feeding once a day, then please look elsewhere - none of our animals are suitable for that purpose.

Please don't let the following questions intimidate you! All information is kept confidential and used only by Spun Gold Golden Retrievers. We just want to get to know you better, so as to make the best match between you and your new furry family member. The more detailed information you give, the better match we can make. If you feel that any additional information would be helpful, please add it to the bottom of this form. Thank you for taking the time to help us match you with the right dog!
