PATIENT FINANCIAL AGREEMENT

GENERAL FINANCIAL POLICY (PLEASE INITIAL EACH)

—— Payment for private pay fees, deductible, co-insurance, or co-pay is due on the day of your visit.

—— We require a credit card, Flex Spending Account card, or Health Savings Account card to be stored in a safe encrypted file on your account. If payment is due, we will apply them to the card. This prevents payment delays and to free up time during visits.

—— Private pay fees can be supplied to you upon request. These fees are subject to change, yet rarely, without prior notice to keep in step with inflation and increases in business overhead.

INSURANCE BILLING POLICY (PLEASE INITIAL EACH)

—— As a Courtesy, health insurance claims may be sent on your behalf. We will only submit insurance claims for policies that have chiropractic benefits. We do not guarantee insurance reimbursement for your visits.

—— We will charge for any additional administrative tasks outside of submitting claims. We will not participate in insurance appeals, pre-certification or post-certification requests for any reason unless we are contractually obligated by participating networks.

—— To eliminate delays and financial hardship on our business, payment for our services will be charged to the credit cards on file, at monthly intervals, for unpaid insurance claims.

—— We recommend verifying your own policy benefits by calling the member support phone number on the reverse side of your insurance card. Ask for both in and out of network coverage. You may also verify your coverage through the insurance member's portal on their website. We are not responsible for verifying your insurance.

PERSONAL INJURY POLICY (PLEASE INITIAL EACH, IF APPLIES)

—— Personal injury cases that require 3rd party payers for payment must have health insurance coverage with chiropractic benefits, and/or medical benefits on their car insurance, and/or retained a personal injury attorney with a signed lien. We reserve the right to accept or deny your case or to work on a lien basis or not.

—— Accepting to work on a lien does not imply, in any manner, that our fees are contingent on the outcome of your case settlement. We expect to be paid in full for all services rendered. We expect payment to settle your account balance and lien immediately once funds have been released to you and your attorney. However, we agree to only wait for payment to settle your account balance and lien for 1-year post termination of care.

—— We require that you provide us with a copy of the police report, attorney contact information, car insurance information of all parties, a copy of your auto insurance card and the policy declaration page.
