

PRS Friends and Food Family,

We have made the difficult decision to temporarily cut dinner service from our daily operations. While we have a strong crew who we are confident in, but we simply do not have enough staff (specifically line cooks and prep cooks), to serve three meals a day with the influx of guests during the summer season. We have agonized over this decision for the last few months, and have concluded that in order to maintain our quality and service standards, while being here for the community that has supported us through the past three years, this is our only option at the moment.

We will continue to offer our monthly Tasting Menu and Prime Rib Night, and we have several other special dinner nights planned (so stay tuned for announcements). We have some availability left on our catering calendar, and are still offering catering, special orders, and private dinners. Our deli case will be stocked daily with take and bake dinner options, salads, sandwiches, burrito and other grab and go food, that can be warmed up at the store or at home. The kitchen will be open for Breakfast and Lunch 7am-4pm Monday-Sunday. We will close the store and deli at 7pm (Monday-Saturday), and Sunday at 4pm.

We are hopeful that this decision is only temporary. If you know of someone who is interested in cooking professionally and is looking for a great place to work and learn cooking techniques, we would love to talk to them! Even someone who loves to cook at home can be a prep cook, and learn techniques while getting paid. Please bear with us during this time, and please be kind and understanding when dining out, every restaurant in America is struggling to find help right now. As soon as we can staff up, we will reopen for dinner service. As always, we appreciate your support!

With gratitude,

Alex and Brittany Jacobson
