## OUR STORY

The Pack River Store has been a Sandpoint tradition since 1976. Owner-operators Alex and Brittany Jacobson purchased the store in June 2018 from Alex's mother, Arlene, who owned and operated it for the previous 18 years. Alex graduated from California Culinary Academy in San Francisco in 2006. Following Arlene's tradition of home cooked comfort food, Alex uses his formal education and experience to elevate the comfort food dishes, that the PRS is known for. The store proudly offers house cured, smoked, and roasted meats available by the pound, deli salads, pastas, ribs, jams, sauces, baked goods and desserts, take and bake dinners, farm fresh eggs, an eclectic selection of beer and wine, groceries, gas, propane and showers.
