# THE PLAN OF PROGRESSION

D&C 137 - 138

In this weeks lesson we talk about the "plan of progression." Meaning we talk about the doctrines that the Lord has established for everyone to hear and accept the Gospel in this world and the spirit world. As you read these sections look for the scriptures that talk about the role Jesus Christ plays in establishing the Gospel in the spirit world. How the spirits in the spirit world responded and now work. And our role in the work on this side of the veil.
