PROPHETIC QUOTES

"Father in Heaven knew that you would face challenges and be required to make some decisions that would be beyond your own ability to decide correctly. In His plan of happiness, He included a provision for you to receive help with such challenges and decisions during your mortal life. That assistance will come to you through the Holy Ghost as spiritual guidance. It is a power, beyond your own capability, that a loving Heavenly Father wants you to use consistently for your peace and happiness. I am convinced that there is no simple formula or technique that would immediately allow you to master the ability to be guided by the voice of the Spirit. Our Father expects you to learn how to obtain that divine help by exercising faith in Him and His Holy Son, Jesus Christ. Were you to receive inspired guidance just for the asking, you would become weak and ever more dependent on Them. They know that essential personal growth will come as you struggle to learn how to be led by the Spirit." Richard G. Scott (To Acquire Spiritual Guidance) Oct 2009.

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and extend across the width of the page. There are no margins, text, or other markings on the paper.
