

# COME FOLLOW ME

## IN PROCESS OF TIME

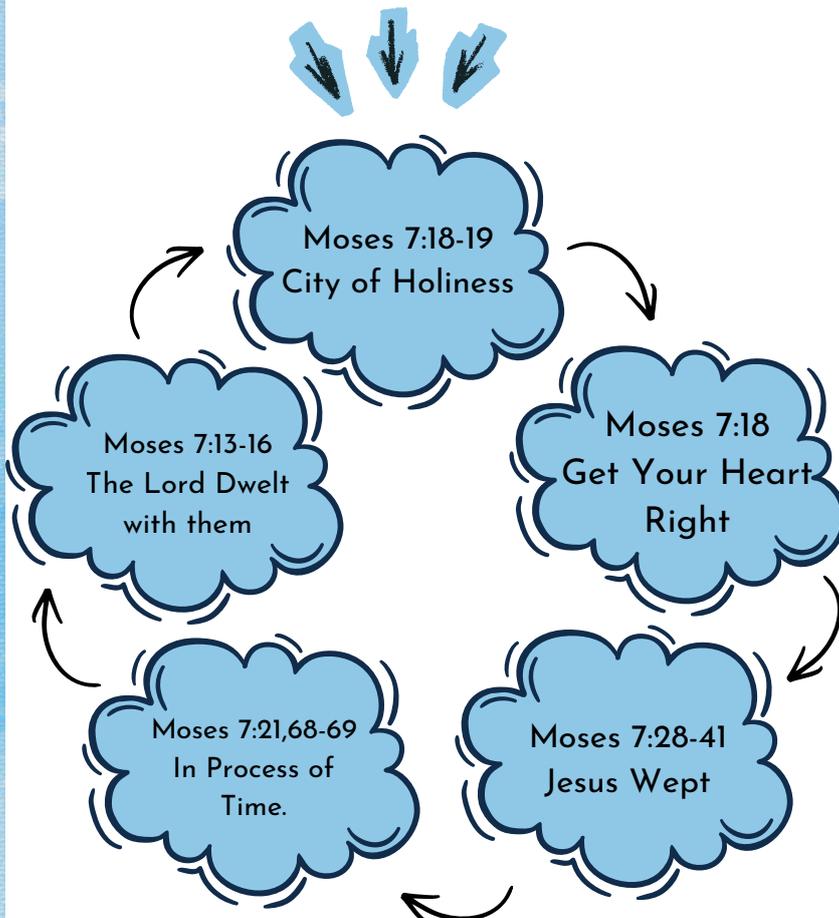

Moses 7

In this week's Come, Follow Me study we continue to Enoch and the city of Zion. This scripture block covers a lot of principles and doctrines. As usual, there are too many principles to cover in 1 video so we introduced to you to 4-5 principles to help you on your way. Don't forget that the most important part of any lesson is personal application, we have included questions that may help with this. Have a great study.

### Identify The Principles

As you study this scripture block, look for other scripture versus that stand out.

### Make Personal Application

Write in Your Journal

- What does Zion look like in me?
- How can I become more Zion minded?  
What do I need to let go of?
- How Can I develop more Charity so that I can minister in a Higher Holier Way?
- Is there anything in your life that has been more of a process than an event?
- How does understanding that conversion is a process help you develop more faith is the process?

### Remember

Don't set the Lords watch, He doesn't wear one.
