THE RISE OF THE CHURCH OF CHRIST

D&C 20-22

In this weeks lesson we focus on the foundational doctrines that were restored in the early days of the Church. As you read this weeks block of scripture look for Doctrines that are essential to the Church (meaning if they were taken away there would no longer be Christs Church.) Also consider activities and events that are part of the Church, but not essential (meaning if they were taken away we could still have the Church of Christ.)
