I WILL REAP WHAT I SOW

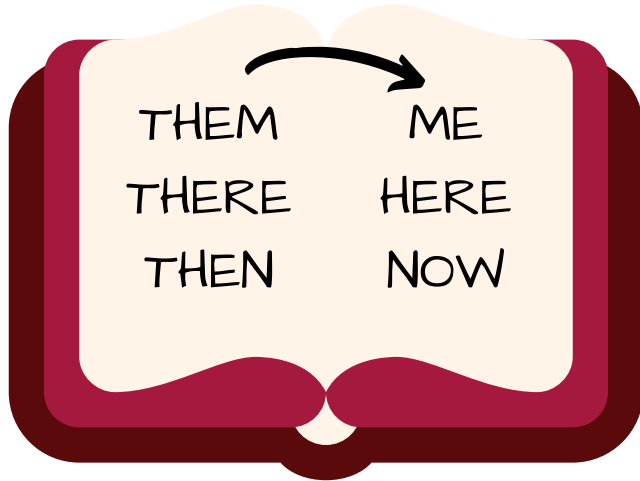

"It apparently was not necessarily so that Zeniff was inherently wicked or intentionally unwise, but he was overzealous. It is also clear that his misplaced zeal led to other poor decisions that not only affected him personally in adverse ways but also caused tremendous difficulties for others under his influence. It didn't help that he was also stiff-necked, which means that he was haughty and stubborn too.

Can you see any potential dangers in a man who is strong, forceful, passionate, enthusiastic, stubborn, full of himself, and overzealous too?"

WHAT DID I LEARN FROM GENERAL CONFERENCE FROM THE PROPHET I COULD TELL SOMEONE I JUST MET?

IN YOUR JOURNAL

If I was being honest with myself . . . what habits do I have that are weeds, more than good seeds?

In what ways could I be more ZEALOUS about sharing the gospel of Jesus Christ?

In what ways do I give myself more than I can handle and put myself in bondage?

What are some ways I could share my testimony of Prophets, Seers and Revelators with people not of our faith?
