KORIHOR & THE RAMEUMTOM CONUNDRUM

Alma 30-31

In this weeks lesson we see the Anti-Christ, Korihor, and also see the unsteadiness of the Zoromites with the rameumtom. As you study, look for doctrine and principles that put you on steady ground. Contrast the truths you find with those taught by Korihor and the Zoromites that will put you on unsteady ground.

"Please do not put too much stock in some of the current views and vulgarities that are afloat, but rather turn to the revealed word, get a sound understanding of the doctrines and keep yourself in the mainstream of the church." - Bruce R. McConkie
