# SMALL AND SIMPLE THINGS

Numbers 11-14, 20-24

In this weeks lesson we talk about the children of Israel and their coming to the borders of the promise land. There is A LOT of murmuring in these chapters, but there is also a great lesson about how simple things can either lead us to look for Jesus Christ or have us look away from HIM. When we look away from Jesus Christ we can start to murmur. As you read this scripture block consider ways you can improve you life by doing the simple things that will have you murmur less and LOOK more.
