SATAN SELLS SANDWICHES

Mosiah 29-Alma 4

As we begin the book of Alma we are introduced to Nehor, a Anti-Christ who teaches false doctrine and leads many away. As you study these verses make a list of the way that Nehor (Satan) takes truth and add false doctrine, similar to making a sandwich and adding something disgusting.

What false doctrines is Satan trying to sell that seems to be sandwiched between two good things?

What distractions in your life are keeping you from seeing the messages that the Holy Ghost is trying to communicate?

“[The] fashions and trends of the world frequently promote a false individuality that is nothing more than a shallow, superficial, and curious outward conformity. True individuality is the product of spirituality and is not a function of trinkets or ornaments attached to or hanging from parts of our body. The spiritual basis of individuality is never more evident to me than when I worship in the House of the Lord, and everyone is dressed in similar white clothing and looks essentially the same. In that setting, no fads or fashion statements are necessary. The unity and outward sameness of appearance in the temple permits the individual spirit to shine through. That, brothers and sisters, is the only type of individuality that really matters.” Elder David A. Bednar of the Quorum of the Twelve Apostles, “Ye Are the Temple of God” (Ricks College devotional, Jan. 11, 2000), web.byui.edu/DevotionalsAndSpeeches.
