Spectator Admission: \$5 per person. There is no official spectator limit per wrestler, but again we do ask that you leave anyone in a vulnerable population at home (such as the elderly or Immune-compromised).

Special Covid-19 Rules: We will be using the honor system for giving out awards at the end of the tournament. After you wrestle your last match, go straight to the head table, tell them what place your wrestler got, and you will receive your medal at that time. We ask that you go directly to the exit to the left of the awards table at that time and NOT leave through the main entrance, once again for Co-Vid 19 compliance. While this has always been a family sport- we are asking that you leave grandparents, those with medical conditions and compromised immune systems, and any other potentially vulnerable persons home for their safety.

ALL WHO ATTEND (WRESTLERS, COACHES, AND PARENTS) MUST WEAR MASKS AT ALL TIMES. Please understand that we dislike these rules as much as you do- it's just that strict enforcement of the rules is the only way we can have a sport at this time. Please keep in mind that this event is NOT the appropriate venue for a political statement against mandated mask wearing- one non-compliant event could literally derail the entire season.

Wrestlers will be on the same mat for the entire duration of the tournament. If you check your bracket it has your wrestler's mat assignment listed. That mat assignment remains the same for the entire tournament unless you are told otherwise. No parent will be allowed to leave the stands and enter the gym floor area without having purchased a coach's band for \$5.00 (which is in addition to regular spectator admission). The purpose of these rules is to prevent crowding and congregating on the mats. If your wrestler has not been called to the mat, you will have to return to the stands. There is to be no congregating or socializing between parents or wrestlers when not competing. Again- please understand this is the State of Ohio's Law due to the pandemic so we have to go along with it.

Please be aware that due to the 90 minute time constraints we have for each session, there will be no guarantee of rest time between matches. This should affect both wrestlers equally in almost all cases. Typically, there will be two weight classes on each mat and your wrestler will be up every 15-20 minutes, but rest time can and will be less at the end of the session as there are fewer matches left to contest- and with such a short time frame we cannot and will not be able to grant extra rest time under any circumstances. Wrestlers may not enter two weight classes in the same division (though they may enter two divisions since they have separate start times).

Special Event Request: we ask that you DO NOT post photos of this or any wrestling tournament on Facebook or any other social media. While we know you are very proud of your wrestlers and completely respect that- these photos can draw highly negative attention to the sport from those who are very hardcore about social distancing. An individual photo can really misrepresent the event "as a whole". Thanks for your continued cooperation!
