OUR MISSION

We seek to provide a platform which builds up a strong base for the deprived and underprivileged, who aspire to prepare for, and ace the various law entrances conducted in the country. We are dedicated to build a community where every single person receives the light of education, irrespective of their financial backgrounds.

We believe that education is each individual's basic right and nobody should be deprived of it because of a mere lack of resources. Education is something which not just enhances the quality of life of a single person, but that of several generations to follow. By helping one individual get access to quality education, we aspire to help thousands in the process. We are inspired by the thinking of Swami Vivekananda, who very rightly said, "If the poor boy cannot come to education, education must go to him." We aim at doing just that by helping and guiding students enter law schools of their choice and receive their legal educations and become fine legal professionals. Our primary focus is on helping students gain legal knowledge as we believe that each person should be aware of the legal rights available to him/her.

ABOUT MAULANA ABUL KALAM AZAD

Kalam Ghulam Muhiyuddin, popularly known as Maulana Azad, was an erudite scholar, author and a prominent freedom fighter who also served as India's First

Education Minister. Maulana Abul Kalam Azad, received the Bharat Ratna, India's highest Civilian Honour in 1992 (post.) and was a man of principles who led a simple and disciplined life all his years.

As one of the founders of Jamia Millia Islamia, he contributed a lot in the development of this premier institution especially in its initial stages. It's axiomatic that his power of learning and unparalleled intellect made him an eclectic visionary who was much ahead of his times. He endorsed the ideas of religious co-existence, secularism, brotherhood, social justice and empowerment of marginalized strata of the society. He contributed heavily in the establishment of Jamia Millia Islamia in Delhi and various IITs in India. Our institute is inspired by the ideas of Maulana Azad, hence named after him.

ABOUT OUR INSTITUTION

MAFEC DELHI was founded by RAGHIB NAUSHAD (a practicing advocate & an alumnus of Faculty of law, Jamia Millia Islamia) on 22 February, 2020, on the death anniversary of Maulana Azad. Our institute seeks to impart free and quality education to the needy students who do not have access to good quality study materials and other resources needed to crack various law entrances. To serve this purpose, Maulana Azad Free Education Centre had begun free coaching and guidance to selected needy students for the preparation of CUET, Jamia BA LLB, AMU Law, MHCET and various law entrance examination in India. Along with the Free Super-30 students, we had made provision of Self- Finance batch where students are admitted at nominal fees.

Students of Self Finance batch are also selected on the basis of rank secured in our Entrance Test. We also got a total of 400+ selections in various other courses in the University from previous past batches from 2020 to 2024.

We are announcing the BA.LLB Batch of MAFEC. for the session 2025-26. Admission of students into the fresh batch will be done through an entrance examination. We are providing free classes to SUPER 30 BATCH (Top 30 Rankers of Entrance Exam), 10 EWS Seats. we also have SELF-FINANCE BATCH (Total 60 Seats).

ABOUT THE COURSE

As mentioned earlier, the coaching classes are a part of the initiative of this institution which seeks to provide an opportunity to hardworking and meritorious students of weaker sections of society, who are aspiring to make a career in the field of Law. In contemporary times, the importance of law and legalities is increasing exponentially and lack of information pertaining to laws might affect the poor and underprivileged. In any case, it is the poor who is mostly affected. In order to address this injustice, we aim at helping students gain legal knowledge. To create legal awareness and promote legal education amongst the poor section of the society is our ultimate objective at this institution. Due to the high and exorbitant fee structures of private institutions, the financially marginalised students are incapable to attend these institutions. But, there are reputed Institutions like AMU, BHU, DU and JMI which provide quality education to students at negligible fees and in order to get admission in these prestigious institution MAFEC DELHI provides a medium to bridge the gap between their hard work and fulfilment of dreams.

AMU BALLB

Alhamdulillah evergreen.

My name is Alimish Malik and I'm from Meerut (Uttar Pradesh). My dream was always to study law. I have chosen law as my father is an advocate and seeing him develop interest in the field of law. I came to know about Maulana Azad Free Education Centre (MAFEC) from my brother. The past results of MAFEC were very good, so I decided to appear for MAFEC entrance exam and Alhamdulillah, I got selected in MAFEC (Super-30) batch.

Thanks to MAFEC team due to whom I was able to crack both AMU and JMI BALLB entrance exam successfully. I want to express my heartfelt gratitude to MAFEC as their unwavering support played a crucial role in my success.

The structured guidance, comprehensive study materials, mock tests and expert faculty truly set MAFEC apart. Their mock tests were very helpful. Mocks helped me in my preparation and in identifying my areas of improvement.

Respected teachers are the backbone of any educational institution. They are the ones who guide, motivate and impart knowledge to us.

As a student who recently cleared Jamia Millia Islamia's BA LLB entrance exam, I owe a significant part of my success to the exceptional coaching I received at MAFEC Institute.

The teachers at MAFEC are not just educators, they are mentors who genuinely care about their students' growth, their dedication, expertise, and unwavering support made all the difference. The interactive classes, well-structured study materials, and regular mock tests helped me build a strong foundation. My success in the entrance exam is a testament to the Institute's commitment. It would not have been possible without such dedicated teachers like Kaif Sir who was always available to solve any doubts and encourage us throughout the journey. Kalkeshan ma'am taught us English and legal concepts perfectly. Moreover, her notes were truly helpful. Mudasir Sir's lectures on GK and current affairs made our journey much easier. Tajuddin Sir's lectures and doubt-solving sessions for Maths and Reasoning helped us clear our concepts well. MAFEC fosters a positive and competitive environment which helped in fueling my determination to succeed. Thank you MAFEC for shaping my academic journey. The greatness of Maulana Azad Free Education Centre cannot be described in words. It is helping hand to every student who is confused and lacking guidance in his preparation journey MAFEC. When I couldn't clear the law entrance in first attempt I became confused and distressed but fortunately, I got know about MAFEC. I gave Entrance Exam of MAFEC and got selected in Super 30 batch after that I felt relief.

I got the right direction and path to study and this became because of exceptional teachers of Institute. Raghib Naushad Sir (Director of MAFEC Institute) guided us and made us aware of every day and night of preparation and Sir motivational classes acted as catalyst through out the preparation journey. Lectures and notes provided by Mudasir Sir, Kaif Sir, Kaif Sir, Kalkeshan Ma'am, were exceptional, Kaif Sir helped us in various ways.

I am thankful to the team who works for providing us such quizzes, decisional test and full length test which helped us in analysing our strength and weakness over the subjects and topics. To know the new questions we never feel that were taking classes online because everyone was available 24/7 and during classes teachers were so full active and tried to solve doubts of every single student. I am grateful to whole MAFEC team without their guidance and help I can't think for one to crack the law entrance of Jamia Islamia.

Once again I would like to thank Raghib Sir, Kalkeshan Ma'am, Mudasir Sir and Kaif Sir. I have never seen such kind honest and hard working teachers, and this has been seen in the result of their students.

Thank you!

Alhamdulillah I cleared my law entrance this year. I'm a dropout, last year also I appeared in the exam but without any coaching and I couldn't clear it. Then some of my friends who cleared the entrance last year told me about MAFEC and I was really impressed, so I joined MAFEC. And now I am a student of Law at Jamia Millia Islamia.

Firstly I would like to thank the entire MAFEC team for their hardwork and dedication for all of us. I've been into a few coaching in the past but MAFEC is different. All the teachers there are so punctual and dedicated that many times it felt they are working way more than me for me.

If I write about Kaif Sir then I can write pages on the standard of punctuality & dedication he put in all his topics but in short I'll say that he is a great teacher who'll give the 100% to make you understand the concepts, while guide you whenever you'll feel lost or confused. He not only guided us for the exam but also gave his best to make us better human beings. He is a great teacher, a super mentor and a great human.

Kalkeshan Ma'am taught us a lot and made things really easy to understand. Her way of teaching is very good. She is so sweet & kind. I enjoyed her class the most.

Mudasir Sir gave his best with current affairs which is the most difficult portion and made it easy for us. I trusted Sir and read his notes only and today I'm selected in Jamia.

MAFEC has evolved me as a person, it has taught me so many life lessons. This journey was not easy but I love to remember it. It was just for MAFEC which I'll love to remember it. It was just for MAFEC which I couldn't have done it. So thank a lot to all my teachers and the supporting staff of MAFEC. I feel so lucky that I got to be a part of this institution.

I am writing this letter to inform my heartfelt thanks to Maulana Azad Free Education Centre (MAFEC) for coaching and guidance that were instrumental in my success. I owe a significant part of this achievement to MAFEC.

Kalkeshan Ma'am made difficult legal concepts easy to understand by capturing them in layman's terms in his class. It felt like he was waiting for me to join him. He made the constitution very easy to comprehend.

Mudasir Sir's notes were spot on. With direct questions appearing in the exam truly "You ARE A GET, SIR". Sir gave us a new perspective on studying and solving quantitative problems.

My mentors Fahad Sir & Arman Sir, also guided me during exam. They asked many important questions. Raghib Sir's guidance technique was the cherry on top.

The well-structured mock tests not only helped us to evaluate our performance but also helped in healthy competition among us. Lastly, I want to conclude that MAFEC helped us become a community. We came from different regions but became friends even before the semester started. Sirs compensated greatly, stood up throughout our college journey, ensuring we never felt alone in the tough days.

Alhamdulillah, I am overwhelmed on getting admission in "JMI BALLB" and this would never have been possible without guidance and support of our "MAFEC teachers". Not only did they provide the best study material, but they also provided us with the best study material, held regular tests and viva which boosted my preparation; the teachers were very helpful - especially "Kaif Sir" helped me to cope up with my pressure of being a droppee and was available whenever I needed counselling. Grammar rules were made so simple and easy to memorize by "Mam, Kahkashan". The tips and tricks of "Raghib Sir" for maths gave me better clarity for each concept.
