

**MOU SLA ✨**

**Preventive dental care app 'People's  
Love' For You ❤️💕 MOU SLA for  
affiliate clinics membership:**

**1. Booking fee for patients or clients: if you call +91-8884757388, we'll contact the doctor or clinic to book an appointment once or twice. If there's no response within 48 hours, we will provide the direct number. Otherwise, if there is a response, we will book a mutually convenient appointment with a time slot as per consultation with treatment solutions. Understanding that walking-ins have to wait for their turn, the 1000 Rs fee collected will be entirely ours for the service provided, and 2% will be shared with the clinic. If a patient or client is given smile points only on the treating doctor's request on the D Warranty prescription.**

**2. Preventive care package, presently at 1000 Rs, decided country-wise, with OPG on 29th June Founder's Day at Elite Dental Club, will be only through our app. The client's mobile number and file ID will be recorded by us, and the file will be couriered to them with any instructions. By calling our helpline number, they can choose the location and doctor. A 2% service charge will be collected by us, and the remaining will be shared with the OPG center and clinic to share with the doctor.**

**3. We have an option to collect the treatment solutions consultations fees once the file with the D Warranty prescription (mandatory 1% increase in two years, 10,000 Rs annually, have to subscribe to be an affiliate) shared by the doctor or clinic. The money will be disbursed in monthly installments as per understanding for a 2% service charge or directly collected at the clinic. We don't have any share in this.**

**Dentist 1500Rs and public 1000Rs
