Stepping Stones Therapeutic Riding is a non-profit riding program that has been serving the community for over 47 years.

Our program solely relies on the help from our volunteers and now our need is **BIGGER** than ever. Volunteers have an opportunity to make a huge difference in the lives of our riders. Volunteers can learn about disabilities and horse management, as well as enjoy the physical fitness and social benefits of volunteering. Besides working with the horse and rider, there are many other opportunities for volunteers in the program.

Detailed training for volunteers is provided and scheduled to ensure the safety of the riders and horses. No previous horse experience is required. Please dress accordingly (no sandals or flip flops).
