Metaltech is a complete turnkey fabrication company located about 30 minutes south of Seattle. Our company has been in business for 20 years and we reside in a 38,000 square foot facility utilizing the latest machinery and equipment. We are focused on reducing the cost of sheet metal fabrication, machining and subassemblies to our customers. Our experience in lean manufacturing allows us to increase our proficiency while decreasing our error ratio and maintain our quality to the highest standard. Metaltech is ISO9001 and AS9100 certified as well as ITAR Registered and FFL7 Licensed.

**IN HOUSE PRODUCTION CAPABILITIES:**

**LASER CUTTING, PRESS BRAKE FORMING, FABRICATION, WELDING, CNC 3/4/5 AXIS MILLING, CNC LATHE TURNING & ASSEMBLY**

- ◆ 2- Haas VF-4 x50 y20 z25
- ◆ Haas VF-7 w/ 5th axis x84 y32 z30
- ◆ Haas VF-12 w/5th axis 150x32z30
- ◆ Haas High Speed VF-2 x30 y16 z20
- ◆ Toyoda STEALTH x-35.4 y 25.6 z 23.6
- ◆ Haas ST 35 21" Dia Max cut dia 26" length
- ◆ Haas ST – 30SS 16" Max cut dia 26" length
- ◆ Hi-Tech 200 Lathe 9.25" max dia16" length
- ◆ OKUMA LB-3000EX 2 Mac dia 16"
- ◆ 2-Amada FO-3015NT Laser 4000 watt
- ◆ AccurShear 10 Foot Shear – Up to ¼" Steel
- ◆ Amada 14 Foot Press Break – 242 Ton
- ◆ 2-Cincinnati 10 Foot Press Brake – 90 Ton
- ◆ Bridgeport 42" Mill
- ◆ Gap Bed Engine Lathe
- ◆ 13 inch H.E.M. Band Saw with Auto Feed
- ◆ Time Saver
- ◆ 10 Total Welders Mig/Tig

- ◆ Anodizing, Powder Coating, Painting
- ◆ Research & Development
- ◆ Reverse Engineering
- ◆ Assembly
- ◆ Light & Heavy Production Runs
- ◆ Competitive Pricing
- ◆ Kan Ban
- ◆ Min/Max Inventory
- ◆ Kitting
- ◆ Delivery
- ◆ CMM Inspection Reporting

**Production Design Software:**

- Solidworks
- Catia
- MasterCAM
- MetaCAM
- VeriCut
