To the Cast: I am so proud of all of you! I was amazed at how well you all came together as a team and as a family from day one. You have worked so hard and it shows with how bright you shine on stage. I'm excited to see all of you grow in your craft and will hopefully see you in future shows!

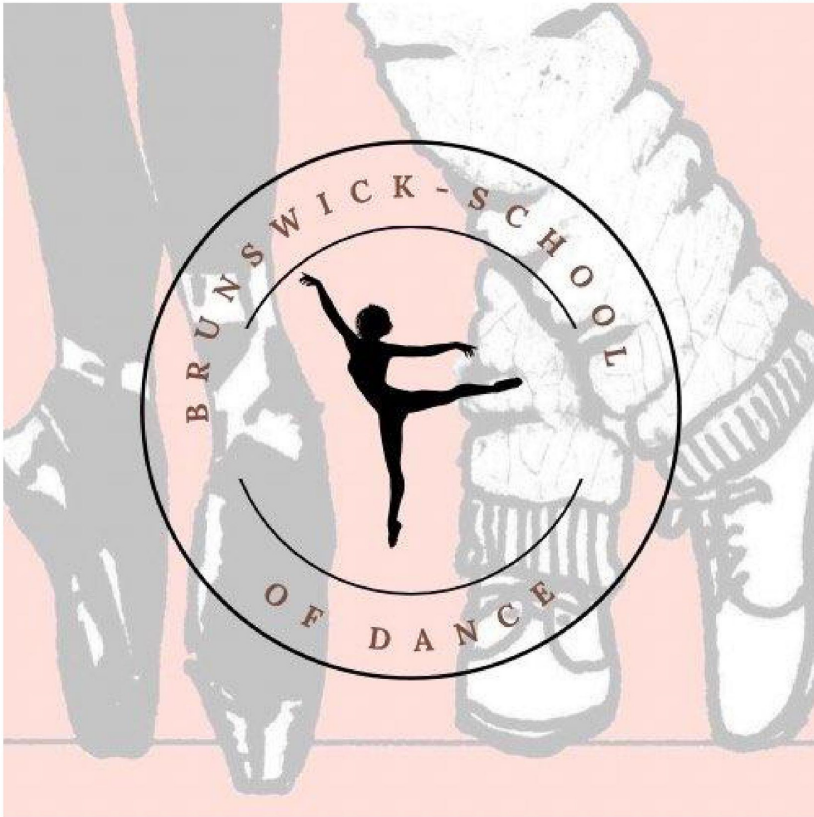

To the Crew: Thank you for always being so dedicated and giving up your Sundays to help these kids every week! Leigh Anne, Mike, Bre, Lil, Bekah and Corryn, you are the best and I'm so blessed to be part of your team!

It truly takes a village to make a children's production happen so we want to thank all the parents and volunteers for helping throughout rehearsals, tech week and shows. Special thanks goes to Chick-fil-A, MaryMiller Pendergrass, Erin McRoberts, Sara Carico, the Winships, and Gunsalluses for supplying our cast with dinners during tech week; Katy Johnson for your help with sewing costumes; Haley Bolten, Manjula Reinhold for pics and video, Andrea Watkins for making our cast t-shirts and PLF Digital for making this beautiful program! Also thank you to the Director of OWA, Danielle Graves for all you do to make this happen for the kids at this amazing venue!

Can't wait for the next show!
