

We Are Back!

Last year, Camp Kiddo Indoor Play faced unexpected challenges that temporarily halted our progress. But today, we are thrilled to share exciting news:

Camp Kiddo Indoor Play is now operating as a nonprofit organization, and our 501(c)(3) status is pending! This means every donation you make is tax-deductible and directly impacts local families in Mont Belvieu and surrounding communities.

Our mission remains to build a welcoming and inclusive space where children, homeschooling families, and working parents can come together to learn, grow, and form meaningful connections.

Current Progress:

We've already raised \$50,000 toward our \$150,000 goal to begin construction. With your support, we can break ground this year—paving the way for a grand opening by Spring/Summer 2026 and bringing our vision of a vibrant community center for education, collaboration, and play to life.

We invite families, local businesses, and community leaders to join us in this exciting new chapter. Together, we can create a lasting resource for generations to come.

Become a Founding Supporter of Camp Kiddo

As a nonprofit dedicated to supporting families and building community, we rely on partnerships and contributions to make this vision a reality. This is your chance to be part of something transformative—a space designed to enrich lives, foster connection, and strengthen our community.
