MEMBERSHIP

The Fred Smith Company Sports Club offers a membership that is unmatched in both value and variety. Members enjoy access to three championship golf courses as well as five premier athletic clubs.

We offer three different levels of membership to accommodate your needs. For the serious golfer, there is no membership that rivals our **Platinum Membership**. For only \$275 per month golfers get access to all four courses anytime including greens fees AND CART FEES, range balls, and 10% off all merchandise in the golf shops. This package is up to 50% less than comparable semi-private courses in the area that only offer one course.

Our members also can participate in an exciting member tournament series each year called the Race for the FSC Cup. This is a series of fun tournaments with varying formats as well as Club Championships and culminates with a year-end Member/Partner Tournament of Champions.

Below is a full breakdown of all three Membership Levels.
