MEET THE LEBANON OPTIMIST CLUB

Optimist Clubs conduct positive service projects aimed at providing a helping hand to youth. By believing in young people and empowering them to be the best they can be, Optimist volunteers continually make their community a better place to live.

The Lebanon Optimist Club is dedicated to serving our community by providing a valuable service. Our members come from every walk of life. Our membership is growing at a steady pace. With this growth, we have been able to accomplish more, and have a larger impact upon our community. We welcome you with open arms. Please inquire about how you can become a part of our growing membership.

OPTIMIST MISSION STATEMENT

To foster an optimistic way of life for the improvement of individuals and society, through local Optimist Clubs dedicated to ever-expanding service to youth, community, and the world.

PURPOSE OF THE LEBANON BLUES FESTIVAL

The Blues Festival is a fund-raiser for the Lebanon Optimist Club. It was started by the Lebanon Chamber and then they asked our club if we would like to be in charge of the festival. This festival has grown in popularity and it draws people from the surrounding area and our neighboring states. We believe it is a family friendly event that allows people to enjoy really good blues music and visit our historical downtown along with raising money for the kids.

Each year we try to bring new and exciting elements to the Blues Festival. Several years ago, we decided to add a Classic Car Show. This has become a staple program of our overall event. The Classic Car show starts Saturday morning at 8:00 am and goes until 4:00 pm. In 2019 we expanded the festival to include Friday evening for music and food.

This event is now a true community event. The community comes out and supports this event and the 100% of the proceeds go back into the community. Listed below are some of the programs that benefit from our donations.
