Pacific Region Book of Recognition Application Form

Each and every one of our Pacific Region members know someone they would like to honor for their service at the club, district, state, region or national level. An appropriate thank-you would be to enter their name into Pacific Region's Gold Book of Recognition. A special Certificate will be sent to the honoree and a thank-you note will be sent to the donor. The amount of the donation is determined by the donor. All contributions support the Pacific Region Scholarship Fund.

Please fill out the application form below. Make check payable or pay online (see link) to **Pacific Region Garden Clubs**, noting "for Book of Recognition" on the memo line. Secure PR Online Payment
