

Hot Flashes – May 11, 2019

I just got home from Mississippi. What a great NGC Convention in Biloxi! I came home with some ideas....you'll be hearing from me soon. I'd like to use this "blog" (for want of a better word) to share ideas BUT.....I need those ideas from you, please send me your newsletters, we all have things to share.

Has your club thought of applying for an Ames Tools Grant? How about a grant from Espoma for plant food and potting soil for your project? Then the Ames Tools you received will come in mighty handy!

How about Plant America grants? The deadline to apply is October 15 – it's not too early to complete the application form and submit with the project budget to [PlantAmericaGrants@gmail.com](mailto:PlantAmericaGrants@gmail.com)

Finally, some of you are playing Puzzle Mania with me (I didn't say a LOT of you, just SOME of you). Here's another puzzle to keep you thinking about Pacific Region!

I'm off to Nevada for their Flower Show School. I'll report in upon my return.
